The C10 was the lightest truck model that Chevy offered in 1983 under their C/K line of pickup trucks. This 4x2 truck was part of the C/K generation that ran from 1973 until 1987, which remained almost unchanged except for minor performance upgrades and design changes. This decade was also the time when new emission regulations and federal laws became stricter, forcing automotive manufacturers ...

C/K is a series of trucks that were manufactured by General Motors.Marked under the Chevrolet and GMC brands, the C/K series included a wide range of vehicles. While most commonly associated with pickup trucks, the model line also included chassis-cab trucks and medium-duty trucks and served as the basis for GM full-size SUVs.Used for both the model branding and the internal model code, "C" ...
