The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

What Does the Service Engine Soon Light Mean on a Nissan ...

I have a 2000 Nissan Frontier. The "service engine soon" light is on. It was on on last Monday then the battery died. I replaced the battery and the light went off for two days then came back on. Today I crank the vehicle and removed the negative battery terminal to see if the alternator is bad and the truck remained running.

I have a 2000 Nissan Frontier. The "service engine soon ...
