...

Later in the fall and heading towards winter, we begin to really focus on problem and solution and cause and effect in our stories. My first grade students by this point have been introduced to these ideas, but now they will dive in and not only identify each of these in a story, but also take note on how important they can be to the plot.

Prudy's Problem and How She Solved It - YouTube
Today I ' m sharing a fun problem solving activity for first and second grade. My incoming second grader loved it! In my ebook, Top 10 Secrets to Great Teaching, I wrote about the importance of making math more than computation.To help our children understand math concepts, they need more than worksheets and a list of facts to solve.
