If you want to get fitter, leaner, and stronger without crash dieting, good genetics, or wasting ridiculous amounts of time in the gym . Building lean muscle and burning stubborn fat isn't nearly as complicated you've been led to

believe. This book is the shortcut. And guess what? You don't need to: Spend hundreds of dollars per month on the worthless supplements, "detoxes, " or "skinny teas." Most pills, powders, and potions do absolutely nothing. You don't need to: Constantly change up your workout routine to gain lean muscle in all the right places. Muscle building is much simpler than that. You don't need to: Waste a couple of hours in the gym every day grinding through grueling workouts you hate. In fact, this is a great way to get nowhere. You don't need to: Slog away at boring cardio to shed ugly belly, hip, and thigh fat and get a beach-ready body. In fact, you probably don't have to do any cardio to get the body you really want. You don't need to: Obsess over "clean eating" and avoiding "unhealthy" foods to get toned. Instead, you can get and stay fit eating the foods you love. Those are just a few of the harmful lies and myths that keep gals from ever achieving the lean, strong, and sexy body they truly desire. In this book you'll learn something most women will never know: what are you still waiting for? Click buy to begin.....
