A Choir of Ill Children is a beautifully-written, disturbing and creepy gothic jambalaya of conjoined triplets sharing one brain, swamp whores and voodoo ritual that just misses the mark due to a narrator that is at the heart of this heady mash, but never seems too fearful of the madness and death that is descending upon his town.

A Choir of Ill Children by Tom Piccirilli - Goodreads

A Choir of Ill Children is the startling story of Kingdom Come, a decaying, swamp backwater that draws the lost, ill-fated, and damned. Since his mother's disappearance and his father's suicide, Thomas has cared for his three brothers--conjoined triplets with separate bodies but one shared brain--and the town's only industry, the Mill.

(One slight niggle was the use of the phrase "like a choir of ill children" three times. It's clever, Tom, but once would have been enough!) This is a lovely, lovingly-crafted book. It's stayed in my head for the last couple of weeks, and I suspect it will stay there for far longer. Highly recommended. 9/10

Amazon.co.uk:Customer reviews: A Choir of Ill Children

A Choir of Ill Children is the startling story of Kingdom Come, a decaying, swamp backwater that draws the lost, ill-fated, and damned. Since his mother's disappearance and his father's suicide, Thomas has cared for his three brothers—conjoined triplets with separate bodies but one shared brain—and the town's only industry, the Mill.

Caring for his three brothers--conjoined triplets with separate bodies but one shared brain--since the disappearance of his mother and suicide of his father, Thomas also runs the Mill, the only industry in his small, backwater town of Kingdom Come, but he must risk everything to confront his tormented past and to stop the evil forces threatening his home. Reissue.

BONUS: This edition contains an excerpt from Tom Piccirilli's *The Last Kind Words*. This lyrical tale of evil, loss, and redemption is a stunning addition to the Southern gothic tradition of Flannery O'Connor and Harry Crews. A Choir of Ill Children is the startling story of Kingdom Come, a decaying, swamp backwater that draws the lost, ill-fated, and damned. Since his mother's disappearance and his father's suicide, Thomas has cared for his three brothers—conjoined triplets with separate bodies but one shared brain—and the town's only industry, the Mill. Because of his family's prominence, Thomas is feared and respected by the superstitious swamp folk. Granny witches cast hexes while Thomas's childhood sweetheart drifts through his life like a vengeful ghost and his best friend, a reverend suffering from the power of tongues, is overcome with this curse as he tries to warn of impending menace. All Thomas learns is that "the carnival is coming." Torn by responsibility and rage, Thomas must face his tormented past as well as the mysterious forces surging toward the town he loves and despises.

A Choir of Ill Children tells the story Kingdom Come - a decaying, lust-filled swampy backwater of a southern town. Piccirilli's lyrical, atmospheric tale of murder and redemption is a startling, breakout novel in the southern gothic tradition pioneered by the likes of William Faulkner and Flannery O'Connor. Since his mother's mysterious death, and his father's suicide, Thomas has been forced to take care of his three brothers, Jonah, Cole, and Sebastian, conjoined triplets who have 3 bodies, but share a single brain. In addition to the care of his three brothers, Thomas has inherited Kingdom Come's only industry and source of jobs, The Mill. Because of this position of wealth and power, he is at once feared and respected by the backwards, superstitious townsfolk. The walls that have grown up between Thomas and his fellow residents of Kingdom Come are high, and hide many strange, unexpected things. The town's "Granny witches" cast their spells, and read their

auguries, trying to win influence over Thomas, while his childhood sweetheart Maggie must decide what, if any kind of relationship they will have. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Emily Bell believes in destiny. To her, being forced to sing a solo in the church choir--despite her average voice--is fate: because it's while she's singing that she first sees Sam. At first sight, they are connected. Sam Border wishes he could escape, but there's nowhere for him to run. He and his little brother, Riddle, have spent their entire lives constantly uprooted by their unstable father. That is, until Sam sees Emily. That's when everything changes. As Sam and Riddle are welcomed into the Bells' lives, they witness the warmth and protection of a family for the first time. But when tragedy strikes, they're left fighting for survival in the desolate wilderness, and wondering if they'll ever find a place where they can belong. Beautifully written and emotionally profound, *I'll Be There* is a gripping story that explores the complexities of teenage passions, friendships, and loyalties.

From award-winning author Tom Piccirilli comes what Lee Child calls "perfect crime fiction," a wholly original novel introducing the Rands, a vipers' nest of crooks and cons, one generation stealing from the next. Upon the razor-thin edge between love and violence lives a pair of brothers, their bonds frayed by betrayals and guilt, their loyalty to each other their last salvation. Raised to pick a pocket before he could walk, Terry Rand cut free from his family after his older brother, Collie, went on a senseless killing spree that left eight dead. Five years later, only days before his scheduled execution, Collie contacts Terry and asks him to return home. Collie claims he wasn't responsible for one of the murders—and insists that the real killer is still on the loose. Dogged by his own demons, Terry is swept back into the schemes and scams of his family: His father, Pinsch, a retired cat burglar, brokenhearted because of his two sons. His card-sharp uncles, Mal and Grey, who've incurred the anger of the local mob. His grandfather, Shep, whose mind is failing but whose fingers can still slip out a wallet from across the room. His teenage sister, Dale, who's flirting dangerously with the lure of the family business. And Kimmie, the woman Terry abandoned, who's now raising a child with Terry's former best friend. Terry pieces together the day his brother turned rabid, delving into a blood history that reveals the Rand family tree is rotten to the roots, and the secrets his ancestors buried are now coming furious and vengeful to the surface. A meditation on how love can confine a person just as easily as it can free him, juxtaposing shocking violence and sly humor, *The Last Kind Words* is the brilliantly inventive family saga that only a singular talent like Tom Piccirilli could conjure. Includes a preview of Tom Piccirilli's next book, *The Last Whisper in the Dark*. Praise for *The Last Kind Words* "A crime noir mystery as hard-boiled as any in recent memory, recalling the work of Chandler, Pelecanos and Connelly . . . Readers literally will be pinned to their seats until the

last page is turned.”—Bookreporter “At once a dark and brooding page-turner and a heartfelt tale about the ties that bind.”—Lisa Unger, New York Times bestselling author of Heartbroken “[A] caustic thriller . . . The characters have strong voices and bristle with funny quirks.”—The New York Times Book Review “[Piccirilli] deserves a breakout novel, and this just might be it.”—Booklist (starred review)

BONUS: This edition contains an excerpt from Tom Piccirilli's *The Last Kind Words*. Two years ago Shad Jenkins went to prison for assaulting his sister's attacker. Now he has returned to the southern mountain town of Moon Run Hollow, only to find that Megan is dead. No one knows how she died—or why she was found on Gospel Trail Road, a dirt path leading up to the gorge high above the Chatalaha River, where victims of yellow fever were once brought to die. Navigating a world filled with abnormal children and clandestine snake handlers, one that is slowly being poisoned by illegal moonshine, Shad must pierce the townsfolk's superstitions and terrible secrets to find out the truth about his sister's death. But the Blood Dreams he's suffered from since childhood have taken on an eerie urgency, revealing to Shad the nightmarish form of an unseen adversary. Plagued by the wraiths that haunt the hollow, Shad finds himself increasingly unsure of his own sanity as he begins to piece together what may have happened to his sister—and who exactly his enemy is....

A man known only as the Necromancer and his demonic familiar named "Self" wander the spectral highways of the countryside, incurring the wrath of both heaven and hell – and facing the curses of the damned. But it's a figure from his past that may drive the Necromancer into a hell even he cannot escape. Jebediah DeLancre, the leader of the Necromancer's old coven, has created a new coven, an evil band determined to use the black arts for their own hideous ends. The Necromancer is forced to return to his home, a place haunted by memories, where years earlier his original coven was destroyed, and where Danielle, the only love of his life, met an awful death. Together with Self, the Necromancer must battle not only his former master, but the members of the new coven and the jealous ghosts of his old one...all the while taunted by the possibility that Danielle may return from the dead.

Society rapidly gives way to terror when women start giving birth to carnivorous spider-like creatures.
