COVID update: A Touch of Romance has updated their hours and services. 103 reviews of A Touch of Romance "The customer service here is AMAZING. Knowledgeable and easy going, it feels more like talking to your friends than a salesperson and that means a lot. The two people we dealt with were great, knew what they were talking about, and were not pushy in suggesting other items.

Romance by S.R.: mance

Romance is an option but I prefer a more action-adventure kind of story, let relationships evolve naturally. If romance is going to be a thing in the role-play I would prefer doing f/f or m/m relationships but I can do f/m as well.

Gold is wealth. Wealth is power. Power is a curse. This captivating fantasy adventure the untold story of the daughter King Midas turned to gold will dazzle you with the kind of action, adventure, twists, turns, and a bit of romance to make any fan of magic and mythology greedy for more. After King Midas gift or curse almost killed his daughter, he relinquished The Touch forever. Ten years later, Princess Kora still bears the

consequences of her father s wish: her skin shines golden, rumors follow her everywhere she goes, and she harbors secret powers that are getting harder to hide. Kora spends her days concealed behind gloves and veils. It isn[]t until a charming duke arrives that Kora believes she could indeed be loved. But their courtship is disrupted when a thief steals treasures her father needs to survive. Thanks to Korals unique ability to sense gold, she sails off on her quest to find the missing items. Magic, mythology, fantasy, and pirate adventures charge through every page as Kora learns that not everything is what it seems not her companions, not the thieves, and not even Kora herself. A Touch of Gold: Is told from the perspective of Kora, King Midas Is daughter and a strong female protagonist Is a clean fantasy adventure, perfect for fans of the #1 New York Times Page 13/24

bestselling books, The Wrath & the Dawn and Cinder Is an enchanting and captivating fantasy adventure/fairy tale retelling Features a beautifully decorated cover Will have strong appeal to readers ages 13 & up

A modern classic first published in 1978 that is as much a sophisticated romantic comedy about the love between two partners as it is a novel about the powerful bonds shared by family members, friends, colleagues and confidants. A comedy of manners that reminds us that manners are comic and should be enjoyed as such. The New York Times Guido and Vincent, best friends (and third cousins), arenIt expecting to fall head-over-heels in love, but that is exactly what happens. Guido is smitten with Holly, a dazzling young woman who chafes at the idea of complacency, while Vincent falls for Page 14/24

Misty, a work colleague with an acerbic sense of humor who seems as uninterested in romance as she is in Vincent (at first). In the months that follow, both couples will experience the rituals of courtship, jealousy, estrangement, family entanglements, and other perils of the heart as they try to find love in spite of themselves. Colwin is a master of portraying the messiness of life: here, in hilarious and endearing prose, she follows these two improbable pairs, and their families, as they navigate and ultimately find happiness together Inot all the time, but for most of it. With a foreword by Katherine Heiny.

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered Page 15/24

to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible:

Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows la love that is both captivating and forbidden.

When Bennett McFadden fell in love with Grace Moore as a nineteen-year-old, he'd thought they had a future together. Unfortunately, everything changed when Grace's grandmother died and Grace pulled away from him and the future he had dreamed they'd have together. Several years later, Grace's husband passes away unexpectedly, and it reinforces her belief that anyone she allows to get too close to her dies. To prevent further heartache, Grace is once again determined to keep those she cares about at arm's length, but

sometimes circumstances force a closeness that can't be avoided. Bennett hadn't like Grace's husband, Franklin, when they'd first met--for many reasons--but as the man had changed in recent months so had Bennett's level of respect for him. Franklin's death shocks them all, but once again the Callaghan-McFadden family rallies around Grace just as they had during the past losses she'd endured. As Bennett spends time helping Grace in the months following Franklin's death, he finds the feelings he'd once had for her coming to the surface again. Unfortunately, the fear that bound Grace's heart before has an even tighter grip on her now. Though she supports Makayla and Ethan as they prepare to say their vows, she knows that never again will she allow herself to be that vulnerable. Love can overcome fear, but only if Grace is willing to take a chance even while knowing that Page 18/24

A new edition of Rocherolle's Three Mazurkas and Three Waltzes, previously printed individually. Some have been reengraved, and all updated for today's student. These pieces offer students fresh material for study and recital, and will challenge them more musically than technically. A must for every piano studio.

Two murders. A distressed teenager and her dauntless mother. A French Police Captain whose own private life is changed forever by his investigation. IWhen Alice moved to Garches, a posh suburb in the Paris metropolitan area, she hoped to find a safe environment for her daughter, Melody. But two people are murdered in quick succession in the elite private school she enrolled her daughter in. There is a long list of suspects determined to keep

their secrets, and a senior member of government who doesn'll trust a suburban cop'lls ability to handle the investigation. With his tenacity and his keen sense of observation as his only advantages, Thomas Sturm races against time to solve the murders and to come to terms with the way the investigation is affecting his private life. Set within the beauty of Paris and of one of its exclusive suburbs, Far away from here is a gripping story and a compelling crime novel which will keep you guessing until the very end.

After her young nephew and two nieces' parents are drowned in a tragic sailing accident off the coast of Cornwall, the beautiful red-headed Tamara is devastated by their loss and realises almost at once that she is the only person who can look Page 20/24

after the three children as she loves them so much. She speaks to the local Solicitor, who tells her that there is no money left in her brother-in-law's estate and so she has no choice but to take the three children to their uncle, the Duke of Granchester, who lives in splendid isolation in a vast sprawling but intimidating Castle in Gloucestershire. The prospect at once appals Tamara. Firstly because she despises the Duke for the way he had cut off all contact with her sister and brotherin-law as he disapproved of their marriage, thinking that she was an actress when in fact she was a renowned opera singer. Worse still, Tamara has written a somewhat scurrilous novel portraying the Duke as the vile character she believes him to be! And the novel is just about to be published in London! Arriving at Granchester Castle in the guise of the children's Governess, she finds the Duke Page 21/24

to be as arrogant, high-handed and annoyingly handsome as her fictional portrayal of him and she hates him even more bitterly. Until a touch of love intervenes and changes everything forever.

Danger lurks in the western realms. Though an evil king has been defeated, a sorcerer warlord has risen and nobody is safe. This demon-possessed warlord creates magical terrors, attacking nations with the ultimate goal to weaken and demolish them before the Destroyer's imminent return. When Lizzan leads the Kothan army against these terrors, only to see her soldiers massacred and to emerge as the only survivor, she is called a coward. A disgrace. A failure. Shunned from her home, Lizzan now wanders in solitude through the lands as a mercenary for hire, until she encounters a group of warriors seeking new alliances with the Page 22/24

northern kingdoms--a group that includes Aerax, the bastard prince of Koth, and the man who sent her into exile. Though they were former childhood friends, Aerax cannot trust the woman whose failure led to the fall of a kingdom. But when a goddess's demand binds them together, Lizzan and Aerax must find a way to overcome their painful pasts. Or there will be no future for the western realms...

Hunted by a murderer who has terrorized her since childhood, Juliana Thorne is forced to seek protection from a powerful enemy. But Damien Villa is a far cry from an ideal savior. The mysterious billionaire harbors his own sinister plans for revenge, and if Juliana isn[]t careful, she may just find herself playing right into his hands.
