range of advanced grammar structures presented in clear, accessible charts. Students are exposed to complex meanings and learn to use grammar in a manner more similar to that of native speakers. Varied range of inductive and deductive exercises. Students practice and understand the target grammar using authentic textbook content. Open-ended, productive tasks. Students produce higher-level spoken and written discourse, incorporating the grammar they have learned. Discipline-specific and universal academic vocabulary. Students learn meanings and develop knowledge of vocabulary inductively and deductively.

A self-study reference and practice book for advanced students of English, with answers. It covers all the areas of grammar that an advanced-level student needs.

This book presents and practises over 1000 of the most useful and frequent idioms in typical contexts. This reference and practice book looks at the most colourful and fun area of English vocabulary - idioms. This book will appeal to students at advanced level who want to understand and use the English really used by native speakers, and students preparing for higher level exams, such as CAE, CPE and IELTS. Over 1,000 of the most useful and frequent idioms, which learners are likely to encounter are presented and practised in typical contexts, so that learners using this book will have hundreds of idioms 'at their fingertips'.
