The aiwa NSX-5200. One Of the best I have ever had. Grat sound and BASS. Nothing like coming home and tern it on slip in 3 of my best CD's and Tarning it up. The Sound from the 4 speakers make you feel you there. Even it not a srouned sound set up it still gives grat feel to my movies. Just like being in the movies. Never ever had anything go bad. Similar Products Used: NONE.
