The ALL-OF-A-KIND FAMILY series is a sweet, old-fashioned look at an Orthodox Jewish family's life in a poor, immigrant neighborhood in 1915 New York.

~~All of a Kind Family Series Book Review~~

A heart-warming, gently humorous and informative family story, and my one main regret is that I have only recently discovered Sydney Taylor's All-of-a-Kind Family and its sequels. Wonderful, delightful episodes show the joys, the struggles and the close family and neighbourhood ties of a Jewish-American family in early 20th century New York City.

Together they share adventures that find them searching for hidden buttons while dusting Mama's front parlor and visiting with the peddlers in Papa's shop on rainy days. The girls enjoy doing everything together, especially when it involves holidays and surprises. But no one could have prepared them for the biggest surprise of all!

The beloved characters from Sydney Taylor's All-of-a-Kind Family return in this heartwarming picture book from the acclaimed author and Caldecott Award-winning artist. A Kirkus Reviews best book of the year that is perfect for Hanukkah gift-giving! "Share this joyous holiday tale of a Jewish immigrant

family all year long." -- Kirkus Review, starred review The beloved All-of-a-Kind Family comes to life in a new format perfect for younger readers. Join the five sisters back in 1912, on the Lower East Side of NYC, and watch as preparations for Hanukkah are made. When Gertie, the youngest, is not allowed to help prepare latkes, she throws a tantrum. Banished to the girls' bedroom, she can still hear the sounds and smell the smells of a family getting ready to celebrate. But when Papa comes home she is given the best job of all: lighting the first candle on the menorah. First published in 1951, Taylor's chapter books have become time-honored favorites, selling over a million copies and touching generations of readers. In this time when immigrants often do not feel accepted, the All-of-a-Kind Family gives a heartwarming glimpse of a Jewish immigrant family and their customs that is as relevant--and necessary--today as when it was first written. Jenkins and Zelinsky's charming compliment to Taylor's series perfectly captures the warmth and family values that made the original titles classics.

Fans of Laura Ingalls Wilder's Little House books will enjoy a citified version as Sydney Taylor gives a charming glimpse at a time when daily life was very different, but family and faith were surprisingly the same. After moving uptown to the Bronx, the charming All-of-a-Kind Family have a new home, new neighbors and new friends. There's always something exciting going on. Ella misses Jules who has joined the Army, Henny spills tea on a dress she borrowed without asking, Sarah works to win a prize at school, Charlotte takes the elevated train without paying her fare, Gertie makes a pancake, and Charlie is terrified when he meets Santa Claus! And things are especially busy as Mother has gone into the hospital, and everyone must help out to make the house run smoothly. Generations of readers have loved growing up with the five Jewish girls whose trials and triumphs are as recognizable today as they were a hundred years ago. This fourth title of the series follows the girls as they grow into much more independent young women, and younger brother Charlie keeps everyone on their toes.

The untold life story of All-of-a-Kind Family author Sydney Taylor, highlighting her dramatic influence on American children's literature This is the first and only biography of Sydney Taylor (1904-1978), author of the award-winning All-of-a-Kind Family series of books, the first juvenile novels published by a mainstream publisher to feature Jewish children characters. The family--based on Taylor's own as a child--includes five sisters, each two years apart, dressed alike by their fastidious immigrant mother so they all look the same: all-of-a-kind. The four other sisters' names were the same in the books as in their real lives; only the real-life Sarah changed hers to the boyish Sydney while she was in high school. Cummins elucidates the deep connections between the progressive Taylor's books and American Jewish experiences, arguing that Taylor was deeply influential in the development of national Jewish

identity. This biography conveys the vital importance of children's books in the transmission of Jewish culture and the preservation of ethnic heritage.

Fans of Laura Ingalls Wilder's Little House books will enjoy a citified version as Sydney Taylor gives a charming glimpse at a time when daily life was very different, but family and faith were surprisingly the same. Ella, Henny, Sarah, Charlotte, and Gertie are back! Life is never dull for the loving, Jewish, all-of-a-kind family on New York's Lower East Side in the early 1900s. Stand-alone chapters make this a perfect read-aloud, as the story follows the five sisters who are very busy, especially now that baby Charlie is growing so quickly. Ella gets a big role in the Purim play, Henny gets into trouble at school and runs away, Sarah gets her ears pierced, Charlotte has a scary kitchen accident, and Gertie finally is old enough to have a book of her own. And the girls befriend a young boy named Guido whose mother is very ill. Generations of readers have loved following the exploits of these very recognizable girls. This title, although written later, picks up right where the first, All-of-a-Kind Family, ended.

When Jules comes to see her after his return from the war, Ella finds it difficult to have some time alone with him.

The adventures, joys, and sorrows of a Jewish family in New York during World War I.
