With half a million copies in print, How to Read a Book is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: " Explains not just why we should read books, but how we should read them. It's masterfully done. " —Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to " judge a book by its cover, " and also how to X-ray it, read critically, and extract the author ' s message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

Successful people read far more books than the average person. But it's not just the reading that matters. It's all about comprehension, retention and applying what you learn to your life. The Reading Sidekick Journal helps you actively read non-fiction books and avoid reading mindlessly. Guided prompts will help you to think about the book's content while you read. The Reading Sidekick Journal is designed to help you get more out of your reading. The Reading Sidekick Journal helps you; Be observant and stay engaged while reading Organize your ideas from the books you read Record what you read so you can easily refer back to it Think analytically about what you read Identify the main ideas and draw conclusions from the books you read The Reading Sidekick Journal operates on these core tenants; Write notes in your own words. Paraphrase instead of copying down word for word from the book. This will increase comprehension and retention. Take notes as you read - at the end of a page, section or chapter. Taking notes as you read is one of the best ways to improve your memory, retention and understanding of the concepts and ideas. Contents include: Guided prompts - This journal is complete with prompts that will guide you to capture the things that really matter. Such as; Why am I reading this book? Main ideas Rating Favorite quotes Action items Next steps Notes pages for each book. Use these in bullet journal style to capture ideas and facts not covered by the guided prompts. Get more out of your reading.

The hm Learning and Study Skills Program: Level II was designed to provide an introduction to learning and study skills for 8th, 9th, and 10th grade students through a series of activity-oriented units. It is structured on the assumption that an activity-oriented lesson is the most effective instructional strategy for the teaching of study skills: more succinctly, that " learning by doing " is the best way ' study smart ' . The Level II Teacher ' s Guide includes a pretest, a wide variety of teaching suggestions, unit summaries, activities for retrieval and closure as well as teaching adaptations through the use of technology. It was published to help teachers assist students in the development of essential study skills and to reinforce their existing strategies that work. The Program supports academic independence for students that have a wide range of ability with college and career readiness as a tangible and realistic goal.

Reading Skills Handbook, 9/e, teaches the essential reading and study skills required for success in college . The cornerstone of the Wiener/Bazerman System, Reading Skills Handbook, 9/e, retains the features that have made it a bestseller for more than twenty-five years: flexible format, high-interest readings, clear explanations, and a multitude of practice exercises. The step-by-step approach encourages students to move with confidence from simple to more complex skills. An anthology of readings helps students apply newly learned skills in selections drawn from books, magazines, and newspapers and including essays, articles, textbook pages, journals, fiction, photographs, illustrations, cartoons, advertisements, and Web sites—in short, the wide range of reading opportunities available to today's readers at home or on the job.
