Bju Science Grade 1 Activity

Science 1 introduces the student to what science is and what scientists do. The student learns to defend the truth that God created all things and sustains their existence; to explain how the design of living things meets their needs for growth and survival; to analyze the patterns of the earth, sun, moon, and stars; and to explain the properties of light and sound and communication using both.

Science 1 | BJU Press

Stock No: WW271684. This activity manual accompanies BJU Press' sold-separately Science 1 Student Text, Third Edition. Simple activities will build scientific skills like observation and sequencing; basic exercises teach children how to diagram illustrations and conduct simple experiments. Worksheets gently acquaint children with 1st grade science concepts such as weather, seasons, animals, states of matter, the sky, and plants. 115 pages, three-hole-punched and perforated, softcover.

Heritage Studies 1 Student Text is a colorful, easy-to-read presentation of social studies that integrates civics, culture, economics, geography, and history. Beginning with the framework of God's redemptive plan, the book includes an age-appropriate study of civics and government and then covers United States history from Native Americans to the Plymouth Colony -- all from the perspective of a Christian worldview. The final chapter contrasts the past and the present, noting changes that have taken place in the way we live. Each chapter includes a poem, eye-catching artwork, maps, graphs, and photos, quick-check questions, and an extended hands-on activity to enhance learning. - Publisher.
