Even cursed blood can fall prey to love's bite.Stone Haven isn't Torr Derrickson's kind of town. Small. Quaint. The moment that cash drawer accepted its first dollar, Torr planned to be back in a real city, stalking the streets in hopes of more adventurous prey. Unfortunately, his reputation-as a bit of a playboy and, more importantly, a vampire-has already caught the attention of some townspeople, much to his brother's dismay.Enter Charlotte Harris.The English teacher is everything Torr is not. A small-town girl. A rule-follower. And very much a human. She's the last woman Torr wants in his life...yet the first one to ever set his blood on fire.Charlotte's attraction to the bad-boy vampire consumes her every waking-and definitely sleeping-moment, distracting her from the redemption that had defined her life up until meeting him. The redemption she wanted for so long is at war with the new awakening in her heart.Like a budding flower, Charlotte finds herself changing in the company of this pair of blue eyes and fangs.Forced together, the two opposites must decide between passion and reputation. Love and fear.Life and death.THE HUNTER'S AFFECTION is a steamy contemporary vampire romance with an HEA. Fans of Elizabeth Hunter, Jeaniene Frost and Lynsay Sands may enjoy this paranormal romance series.

Empress Elizabeth of Austria, known as Sisi, is the Princess Diana of nineteenth-century Europe. Famously beautiful, as captured in a portrait with diamond stars in her hair, she is unfulfilled in her marriage to the older Emperor Franz Joseph. Sisi has spent years evading the stifling formality of royal life on her private train or yacht or, whenever she can, on the back of a horse. Captain Bay Middleton is dashing, young, and the finest horseman in England. He is also impoverished, with no hope of buying the horse needed to win the Grand National-until he meets Charlotte Baird. A clever, plainspoken heiress whose money gives her a choice among suitors, Charlotte falls in love with Bay, the first man to really notice her, for his vulnerability as well as his glamour. When Sisi joins the legendary hunt organized by Earl Spencer in England, Bay is asked to guide her on the treacherous course. Their shared passion for riding leads to an infatuation that jeopardizes the growing bond between Bay and Charlotte, and threatens all of their futures. The Fortune Hunter, a brilliant new novel by Daisy Goodwin, is a lush, irresistible story of the public lives and private longings of grand historical figures.

This first volume of Mr. Maher's four-volume work indexes 38,000 death notices and 14,000 marriage notices. The extensive notices refer to people up and down the East Coast as well as to midwesterners and persons from as far west as the State of California.
