Cpo Focus On Life Science

I picked up the CPO Focus on Life Science book for homeschooling my 7th grader, and I have found the text is nearly perfect. The layout is terrific, and the pages are not overfilled with densely packed text. The illustrations are top notch, and I simply love the layout.

curriculum programs engage students through active investigation because we believe that mastery of science concepts comes from doing real science. The instructional design begins with an introductory hands-on investigation, followed by reading, applied investigations, and opportunities for re-teaching, challenging, and extending learning.
