The Darkest Powers Trilogy, 3-book... by Kelley Armstrong

Darkest Powers is a young adult urban fantasy trilogy. It's set in the same universe as the Otherworld series, but with entirely new characters who are teenagers who have increased powers after being modified before birth. The Summoning Chloe Saunders sees dead people. Yes, like in the films. The problem is, in real life saying you see ghosts gets you a one-way ticket to the psych ward. And at ...

Darkest Powers Trilogy | Otherworld Wiki | Fandom

The Darkest Powers Series is probably the first trilogy you should read especially since this trilogy was actually published before the Darkness Rising series. It also seems to take place at a similar time, because Dr. Davidoff is still mentioned to be alive in the first book of the Darkness Rising series(The Gathering).
