Es war nicht schlecht, die Sprache von Zsuzsa Bank ist wunderschön und kunstvoll, dennoch musste ich mich durch die ersten 350 Seiten ziemlich durchkämpfen. Der erste Teil spielt in einem kleinen Ort namens Kirchblüt, in dem Aja, Karl und Seri aufwachsen. Es wird von der Kindheit der drei erzählt und das in aller Ausführlichkeit. Ich war geradezu erleichtert, als die Protagonisten endlich ...

Die hellen Tage by Zsuzsa Bánk - Goodreads

Nach ihrem hochgelobten Debütroman »Der Schwimmer« schreibt Zsuzsa Bánk die bewegende Geschichte dreier Kinder, die den Weg ins Leben finden. »Die hellen Tage« ist ein großes Buch über Freundschaft und Verrat, Liebe und Lüge - über eine Vergangenheit, die erst allmählich ihre Geheimnisse enthüllt, und die Sekunden, die unser Leben für immer verändern. Zsuzsa Bánk: Die hellen Tage (6 CDs) - jpc

Die Leichen, das sind die ausgestopften Jagdtrophäen, die der Vater der zehnjährigen Ich-Erzählerin von seinen Großwildsafaris mit nach Hause bringt. Und die er mehr liebt als seine Familie, für die er nur Verachtung und Prügel übrig hat. Mutig und voller Liebe versucht das Mädchen, ihren jüngeren Bruder vor der väterlichen Gefühlskälte und Gewalt zu schützen.

Süddeutschland in den 1960er-Jahren: Im Mittelpunkt steht die Mädchenfreundschaft zwischen der vaterlosen Seri und dem Zirkuskind Aja. 3. im Bunde wird der introvertierte Karl. Als die 3 in Rom zu studieren beginnen, wird ihre Freundschaft zur Zerreißprobe.

"When she suspects that her young neighbors are being abused by their father, one brave girl takes a stand to protect them"--

In 1956 Hungary, after their mother Katalin leaves her family and sets out for the West, her young children, Kata and Isti, join their depressed father, Kalman, on a circuitous odyssey through Hungary, living a peripatetic life of uncertainty in which only their imaginations and brief swims with their father bring any solace. A first novel. 12,500 first printing.

Max has been married to Tina for twenty-five years. She is the love of his life, but now he must come to terms with the fact that she is to spend a year away on a work assignment—away, for the first time, from their home, their children and their life together. Her absence leaves him feeling like an Odysseus in reverse: he stays put while his Penelope goes out into the world. Max, alone with his three teenage sons for the first time, is left contemplating life and the daily routine of the little bar of which he is the proprietor. As he spends more time with the regulars their problems begin to become his own. This new novel by Alex Capus is a hymn to trust, friendship and life's small pleasures. Told with his trademark humor, *Life is Good* is a novel about finding contentment in rootedness as the world speeds up.

#1 NEW YORK TIMES BESTSELLER In 1970, Willie Traynor comes to Clanton, Mississippi, in a Triumph Spitfire and a fog of vague ambitions. Within a year, the twenty-three-year-old finds himself the owner of Ford County's only newspaper, famous for its well-crafted obituaries. While the rest of America is in the grips of turmoil, Clanton lives on the edge of another age—until the brutal murder of a young mother rocks the town and thrusts Willie into the center of a storm. Daring to report the true horrors of the crime, Willie makes as many friends as enemies in Clanton, and over the next decade he sometimes wonders how he got there in the first place. But he can never escape the crime that shattered his innocence or the criminal whose evil left an indelible stain. Because as the ghosts of the South's past gather around Willie, as tension swirls around Clanton, men and women who served on a jury nine years ago are starting to die one by one—as a killer exacts the ultimate revenge. BONUS: This edition includes an excerpt from John Grisham's *The Litigators*.

"Written with love, told with joy. Very easy to enjoy."—Fredrik Backman, author of *A Man Called Ove* For fans of *The Little Paris Bookshop* and *The 100-Year-Old Man Who Climbed Out the Window and Disappeared* comes a heartwarming debut about 96-year-old Doris, who writes down the memories of her eventful life as she pages through her decades-old address book. But the most profound moment of her life is still to come . . . Meet Doris, a 96-year-old woman living alone in her Stockholm apartment. She has few visitors, but her weekly Skype calls with Jenny—her American grandniece, and her only relative—give her great joy and remind her of her own youth. When Doris was a girl, she was given an address book by her father, and ever since she has carefully documented everyone she met and loved throughout the years. Looking through the little book now, Doris sees the many crossed-out names of people long gone and is struck by the urge to put pen to paper. In writing down the stories of her colorful past—working as a maid in Sweden, modelling in Paris during the 30s, fleeing to Manhattan at the dawn of the Second World War—can she help Jenny, haunted by a difficult childhood, unlock the secrets of their family and finally look to the future? And whatever became of Allan, the love of Doris's life? A charming novel that prompts reflection on the stories we all should carry to the next generation, and the surprises in life that can await even the oldest among us, *The Red Address Book* introduces Sofia Lundberg as a wise—and irresistible—storyteller.

Gus Dury once had a high-flying career as a journalist and a wife he adored. But now he is living on the edge, a drink away from Edinburgh's down-and-outs, drifting from bar to bar, trying not to sign divorce papers. But the road takes an unexpected turn when a friend asks him to investigate the brutal torture and killing of his son, and Gus becomes embroiled in a much bigger story of political corruption and illegal people-trafficking. Seedy doss-houses, bleak wastelands and sudden violence contrast with the cobbled streets and cool bistros of fashionable Edinburgh, as the puzzle unravels to a truly shocking ending. Praise for *PAYING FOR IT*: "A fine debut. Black is the new noir." —Allan Guthrie, winner of the Theakston's Old Peculier Crime Novel of the Year Award for *Two-Way Split* "Tony Black's first novel hits the ground running, combining a sympathetic ear for the surreal dialogue of the dispossessed with a portrait of the belly of a city painted in the blackest of humour." —The Guardian "Paying For It might just be the most aptly titled novel of the year. Rarely has a title worked on so many levels...the narrative blasts off the page like a triple malt...This is one adrenalin-pumped novel, as moving and compassionate as it is stylishly written." —Ken Bruen, author of *The Guards* novels "Assuming (and hoping) that this is the first of many featuring the tortured Gus Dury, we've never seen a series character so richly and honestly drawn from the get-go. The emotional punches connect solidly in *Paying For It*, as the pains of being a father and the pains of being a son are laid bare. The debut of the year." —Tod Robinson, *Thuglit.com* "Of all the new writers emerging this year, he is the one to watch." —Martyn Waites, author of the *Joe Donovan* series

This is a Jewish story, told the way Jewish stories are told: with biting humor. On the face of it, this book is a travelogue, a journal by a Jew from New York traveling in today's Germany. A very funny story indeed. But this is just part of the story, the smallest part of it. For *I Sleep in Hitler's Room* is also a book about modern anti-Semitism, about hate that refuses to disappear, about a disease that won't get cured and a curse that won't let go. Traveling across Germany and seeking out that elusive quality that is the German character, playwright and journalist Tuvia Tenenbom wonders whether he has identified it in any one of several striking social phenomena -- the proclivity of Germans to join clubs and group activities; how their aptitude for visual design shapes their architecture and their daily life; how their daily life is suffused with soccer and beer, the omnipresent beverage for all occasions; how they proudly self-define themselves by their achievements in precision technology; and, what is most disturbing to this son of Holocaust survivors, how their crushing awareness of their dark history coexists with virulent anti-Semitism and a stubborn obsession with Israel. Why is Europe, the cradle of our civilization, so obsessed with Jews? Read this book to find the answer. Tenenbom integrates deep seriousness with the most lighthearted comic touch in this critical but affectionate look at both left and right in contemporary German politics and society. *I Sleep in Hitler's Room* will make you think, make you worry, make you cry, and make you laugh out loud. It is a book you will never forget. Ever.

A prescient political and psychological thriller ripped from tomorrow's headlines, by one of Germany's most celebrated contemporary novelists A few short years from now, the world is an even more uncertain place than it is today, and politics everywhere is marching rightward: Trump is gone, but Brexit is complete, as is Frexit. There's a global financial crisis, armed conflict, and mass migration, and an ultrapopulist movement governs in Germany. With their democracy facing the wrecking ball, most well-off Germans turn inward, focusing on their own lives. Britta, a wife, mother, and successful businesswoman, ignores the daily news and concentrates on her family and her work running a clinic specializing in suicide prevention. But her legitimate business is connected to a secret and far more lucrative operation known as The Bridge, an outfit that supplies terrorist organizations looking to employ suicide bombers. Using a complex candidate-identifying algorithm designed by Babak, a brilliant programmer and Britta's only employee, The Bridge has effectively cornered the market, and terrorism never takes place without Britta's services—which is why news of a thwarted suicide attack in Leipzig comes as a shock. Then The Bridge's database is stolen, driving Britta, Babak, and their latest recruit into hiding. On their heels is a new terrorist organization called the Empty Hearts, a group unlike any Britta and Babak have encountered before. Part suspenseful thriller, part wickedly effective social satire, Empty Hearts is a novel for our times, examining urgent questions of morality, politics, and culture and presenting a startling vision of a future where empathy is a thing of the past.

An author, foreign correspondent, academic, and television personality, Roger Willemssen is a familiar figure in Germany, and *The Ends of the Earth* offers English-language readers a chance to engage with his uniquely astute take on the world. Consisting of twenty-two essays recounting and reflecting on a lifetime of travel to the far and forgotten corners of our planet, the book offers remarkable encounters and mysterious entanglements in locations as diverse as a Kamchatkan volcano, a Burmese railway station, an Arctic icebreaker, and a Minsk hospital ward. Willemssen is the perfect companion, reveling in the strange and unlovely, and tracing unexpected connections among places, times, and peoples.
