~~What is DMR Digital
Mobile Radio? | Hytera
UK~~

DMR stands for Digital
Mobile Radio - an open
digital radio standard.

DMR has received
global recognition as a
technology that

combines voice, data,
features & applications.
Digital Mobile Radio is
available in three "tiers"
- loosely translated as
levels of complexity.
Tier I is licence-free,
Tier II is licensed
conventional, while Tier
III is trunked, meaning
that frequencies and
channel capacity can be
pooled and shared
between users.
