Dragon Oath, also known as Tian Long Ba Bu (abbreviation: TLBB) in China, is a free-to-play MMORPG developed and published by Changyou and Sohu and launched in May 2007. The game's story is based on the novel Demi-Gods and Semi-Devils by Louis Cha.

The first in an enthralling new mini-series of novellas from the #1 bestselling authors of the House of Night, *Dragon's Oath* tells the story behind the House of Night's formidable fencing instructor – the love that will transform him, and the promise that will haunt him In early 19th century England, long before he's a professor at the Tulsa House of Night, Bryan Lankford is a troublesome yet talented human teen who thinks he can get away with anything... until his father, a wealthy nobleman, has finally had enough, and banishes him to America. When Bryan is Marked on the docks and given the choice between the London House of Night and the dragon-prowed ship to America, he chooses the Dragon – and a brand new fate. Becoming a Fledgling may be exciting, but it opens a door to a dangerous world.... In 1830's St. Louis, the Gateway to the West, Dragon Lankford becomes a Sword Master, and soon realizes there are both frightening challenges and beautiful perks. Like Anastasia, the captivating young Professor of Spells and Rituals at the Tower Grove House of Night, who really should have nothing to do with a fledgling... But when a dark power threatens, Dragon is caught in its focus. Though his uncanny fighting skills make him a powerful fledgling, is he strong enough to ward off evil, while protecting Anastasia as well? Will his choices save her—or destroy them all?

The all-new House of Night Novellas will delve into the backgrounds of some of the Tulsa House of Night's most important - and mysterious - professors. Beginning with Dragon Lankford, *DRAGON'S OATH* tells the story of the House of Night's formidable fencing instructor and warrior, whose mercy for one beast in the past will come back to haunt him in the future.

She begs Peggy to take the child to Fablestone where the baby will be safe. From what? Peggy doesn't know. All she knows is that the two agents who show up on her doorstep the next day aren't with the FBI, and she'd bet anything they're scientists who want to get their hands on dragon's blood. That's not going to happen. Not on Peggy's watch. Peggy doesn't have a choice. She has to get the baby to the Fablestone clan before the full moon ends. She has to reach Fablestone before it's too late. The fate of the clan is resting on Peggy, and she swore a dragon's oath to return the child to its rightful home. Buddha said: "The Eight Tribes of Heaven Dragon, Man and Man, all see the Dragon Lady become Buddha." As for the gods, the dragons, the yakshas, the kanda, the asura, the garuda, and the mandara. After the Dragon and Heaven, the most tragic one was Carolo, because he was Yue Fei's embodiment. Carolo was a kind of giant bird with all kinds of solemn and precious colors on its wings. Legend has it that Yue Fei was the reincarnation of the Golden Winged Roc, and Jia Luo was the reincarnation of the Golden Winged Roc. When its life ended, the dragons vomited poison and were no longer able to eat. As a result, Garuda flew up and down seven times before finally dying on top of the Vajra Mountain.
