With over one million books sold in her career, Joyce Rupp presents her newest undertaking: a unique collection of daily meditations that draw from Christian, Jewish, Muslim, Hindu, and other sources, offering wisdom and insight about the God who is beyond all names. Bestselling author Joyce Rupp once again proves herself a wise and gentle spiritual midwife, drawing forth 365 names of God from the world's spiritual treasury. *Fragments of Your Ancient Name*—whose title comes from a poem by German mystic Rainer Maria Rilke—assembles a remarkable collection of reflections for each day of the year. This unique and profound devotional will heighten awareness of the many names by which God is known around the world. Whether drawing from the Psalms, Sufi saints, Hindu poets, Native American rituals, contemporary writers, or the Christian gospels, Rupp stirs the imagination and the heart to discover a new dimension of God. Each name is explored in a ten-line poetic meditation and is complemented by a simple sentence that serves as a reminder of the name of God throughout the day.

Describing the heartache, confusion and passionate love that belong to the mystical journey, this series of personal writings explores a central paradox: what belongs to the individual who makes this journey, and what belongs to God? This primary question is discussed in detail, drawing from the author's own experiences and the context of the Sufi tradition. The featured passages are personal, heartfelt, and full of the contradictions the author has endured, demonstrating how the Sufi path is lived today within the heart and soul of a contemporary mystic. Delving beneath the surface into the heart of the mystical relationship with God, this intimate memoir illustrates how challenging and rewarding living this love affair can be.

Write to Explore Your Deep Spiritual Soul “...if you think this book is not for you because you are a writer and don't need another writing book, think again!” —Sherry Richert Belul, author of *Say it Now* #1 Best Seller in New Age & Spirituality, Graphology, Parapsychology “I am a writer. Today I write.” These are the opening lines in the *Writing Blessing* that author Janet Conner has spoken daily since 2007. Journal-writing and divine dialogue. Janet Conner is a writer, poet, and spiritual field guide, but first and always a deep spiritual soul explorer. Since she discovered how to activate a divine Voice by slipping into the theta brain wave state (the border between the conscious and the subconscious) while writing, Janet has dedicated herself to exploring and sharing what it means to live at the vibrant intersection of the visible and the invisible. Your healing inner voice. After hitting rock bottom while escaping domestic abuse, Janet's inner voice told her to start writing. As she wrote, she gained clarity and strength, and felt an incredible connection to the divine.

Fragments of the Ark follows the exploits of runaway slave Peter Mango, his family, and a band of fellow escaped slaves as they commandeer a Confederate gunboat out of Charleston harbor and deliver it to the Union navy. Mango is made captain of this liberated vessel and commands its crew through the duration of the war. He also travels to Washington to meet President Lincoln, adding his voice to others trying to persuade the president to allow black men to enlist in the armed forces. After the war Mango bought a home from his former master and became a political organizer for voting rights. Eventually he was elected a delegate to South Carolina's state convention to rewrite its constitution. Based on the inspirational life of Robert Smalls, Fragments of the Ark explores the American Civil War through the eyes of its most deeply wounded souls. Against this chaotic backdrop, the novel sweeps readers into Mango's heroic quest for the most basic of human rights, a safe haven to nurture a family bound by love and not fear, and the freedom to be the master of his own life.

The final volume in a trilogy of "alternate selves and alternate literary histories"

"The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there with a divine understanding of us, and that two people are brought together for a divine plan that will contribute toward a higher purpose. This book explores: the seven levels of love, the seven types of soul mate, how to identify which type of soul mate you want, the different stages of the soul-mate quest, soul-mate belief work, on topics including sex and self-image, how to release your energetic commitment to a past relationship ... and much more. Based on Vianna's own experience of finding her soul mate, this book will reaffirm your belief in true love and explain how, using ThetaHealing®, you can bring your most compatible soul mate into your life."--Back cover.
