Tom Robbins ' Half Asleep in Frog Pajamas is certainly unique; first, because it is written both in the present tense and in second person. This puts the reader squarely in the main character ' s shoes and in the moment. It is also unique because of the unexpectedly radical theories it presents.

Half Asleep in Frog Pajamas by Tom Robbins

The inside sleeve of Half Asleep in Frog Pajamas, Robbins ' new novel, promises all manner of goofiness by describing a plot that involves the collapse of Wall Street, a 300-pound psychic, a born-again monkey, and Sirius the Dog Star. Once you ' ve made it halfway through the book, however, you realize that this is really the same book Robbins has been writing for years, to wit:

Tom Robbins ' "Half Asleep in Frog Pajamas" » David Louis ...

Half Asleep in Frog Pajamas comments on life in the United States through characters who are slightly unmoored from it and who seem to be traveling on some other astral plane. The author, in lively...

It's the deepest, wildest part of the forest; the grove where the fairies still dance and obscene old vipers snooze in the boughs. Everybody but the most dried up and dysfunctional is drawn to the grove and enchanted by its mysteries, but then they just can't wait to call in the chain saws and bulldozers and replace it ...

When the stock market crashes on the Thursday before Easter, you—an ambitious, although ineffectual and not entirely ethical young broker—are convinced that you 're facing the Weekend from Hell. Before the market reopens on Monday, you 're going to have to scramble and scheme to cover your butt, but there 's no way you can anticipate the baffling disappearance of a 300-pound psychic, the fall from grace of a born-again monkey, or the intrusion in your life of a tattooed stranger intent on blowing your mind and most of your fuses. Over these fateful three days, you will be forced to confront everything from mysterious African rituals to legendary amphibians, from tarot-card bombshells to street violence, from your own sexuality to outer space. This is, after all, a Tom Robbins novel—and the author has never been in finer form.

After the stock market crashes on the Thursday before Easter, an ambitious but ineffectual young stockbroker faces a mind-blowing, destiny-altering weekend of scheming to escape blame and coping with a mysterious stranger

When the stock market crashes on the Thursday before Easter, you - an ambitious, though ineffectual and not entirely ethical young broker - are convinced you are facing the Weekend From Hell. You don't know the half of it! Obviously, before the market reopens on Monday, you're going to have to scramble and scheme to cover your butt, but there's no way you can

anticipate the baffling disappearance of a 300-pound psychic, the fall from grace of a born-again monkey, or the intrusion in your life of a tattooed stranger intent on blowing your mind and most of your fuses. Over these fateful three days, you are jerked from one trial and one revelation to another; forced to confront things ranging from mysterious African rituals to legendary amphibians, from tarot card bombshells to street violence, from your own sexuality to outer space. The weekend isn't from Hell, it's from Sirius the Dog Star. And by the time it's over, the glide path of your destiny has been knocked widely askew. You may or may not be a better person, you may or may not have found love, the world may or may not be a different place, yet cosmic connections have been established that cannot be broken. And as an indication of just how strange it has all become, you - prosaic, materialistic, irritable you - are left with a complete understanding of the surprisingly serious phrase 'half asleep in frog pajamas'.

Imagine that there are American MIAs who chose to remain missing after the Vietnam War. Imagine that there is a family in which four generations of strong, alluring women have shared a mysterious connection to an outlandish figure from Japanese folklore. Imagine just those things (don't even try to imagine the love story) and you'll have a foretaste of Tom Robbins's eighth and perhaps most beautifully crafted novel--a work as timeless as myth yet as topical as the latest international threat. On one level, this is a book about identity, masquerade and disguise--about "the false mustache of the world"--but neither the mists of Laos nor the smog of Bangkok, neither the overcast of Seattle nor the fog of San Francisco, neither the murk of the intelligence community nor the mummery of the circus can obscure

Read Online Half Asleep In Frog Pajamas Tom Robbins

the linguistic phosphor that illuminates the pages of Villa Incognito. A female fan once wrote to Tom Robbins: “ Your books make me think, they make me laugh, they make me horny and they make me aware of the wonder of everything in life. ” Villa Incognito will surely arouse a similar response in many readers, for in its lusty, amusing way it both celebrates existence and challenges our ideas about it. To say much more about a novel as fresh and surprising as Villa Incognito would run the risk of diluting the sheer fun of reading it. As his dedicated readers worldwide know full well, it ’ s best to climb aboard the Tom Robbins tilt-a-whirl, kiss preconceptions and sacred cows goodbye and simply enjoy the ride.

“ Written with a style and humor that haven ’ t been seen since Mark Twain. ” —Los Angeles Times What if the Second Coming didn ’ t quite come off as advertised? What if “ the Corpse ” on display in that funky roadside zoo is really who they say it is—what does that portend for the future of western civilization? And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high-tech age? Another Roadside Attraction answers those questions and a lot more. It tell us, for example, what the sixties were truly all about, not by reporting on the psychedelic decade but by recreating it, from the inside out. In the process, this stunningly original seriocomic thriller is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind. “ Hard to put down because of the sheer brilliance and fun of the writing. The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce. ” —Rolling Stone

Read Online Half Asleep In Frog Pajamas Tom Robbins

An Arab and a Jew open a restaurant together across the street from the United Nations.... It sounds like the beginning of an ethnic joke, but it's the axis around which spins this gutsy, fun-loving, and alarmingly provocative novel, in which a bean can philosophizes, a dessert spoon mystifies, a young waitress takes on the New York art world, and a rowdy redneck welder discovers the lost god of Palestine--while the illusions that obscure humanity's view of the true universe fall away, one by one, like Salome's veils. *Skinny Legs and All* deals with today's most sensitive issues: race, politics, marriage, art, religion, money, and lust. It weaves lyrically through what some call the "end days" of our planet. Refusing to avert its gaze from the horrors of the apocalypse, it also refuses to let the alleged end of the world spoil its mood. And its mood is defiantly upbeat. In the gloriously inventive Tom Robbins style, here are characters, phrases, stories, and ideas that dance together on the page, wild and sexy, like Salome herself. Or was it Jezebel?

Known for his meaty seriocomic novels—expansive works that are simultaneously lowbrow and highbrow—Tom Robbins has also published over the years a number of short pieces, predominantly nonfiction. His travel articles, essays, and tributes to actors, musicians, sex kittens, and thinkers have appeared in publications ranging from *Esquire* to *Harper's*, from *Playboy* to the *New York Times*, *High Times*, and *Life*. A generous sampling, collected here for the first time and including works as diverse as scholarly art criticism and some decidedly untypical country- music lyrics, *Wild Ducks Flying Backward* offers a rare sweeping overview of the eclectic sensibility of an American original. Whether he is rocking with the Doors,

Read Online Half Asleep In Frog Pajamas Tom Robbins

depoliticizing Picasso ' s Guernica, lamenting the angst-ridden state of contemporary literature, or drooling over tomato sandwiches and a species of womanhood he calls " the genius waitress, " Robbins ' s briefer writings often exhibit the same five traits that perhaps best characterize his novels: an imaginative wit, a cheerfully brash disregard for convention, a sweetly nasty eroticism, a mystical but keenly observant eye, and an irrepressible love of language. Embedded in this primarily journalistic compilation are a couple of short stories, a sheaf of largely unpublished poems, and an off-beat assessment of our divided nation. And wherever we open *Wild Ducks Flying Backward*, we ' re apt to encounter examples of the intently serious playfulness that percolates from the mind of a self-described " romantic Zen hedonist " and " stray dog in the banquet halls of culture. "

" Robbins ' s comic philosophical musings reveal a flamboyant genius. " —*People Still Life with Woodpecker* is a sort of a love story that takes place inside a pack of Camel cigarettes. It reveals the purpose of the moon, explains the difference between criminals and outlaws, examines the conflict between social activism and romantic individualism, and paints a portrait of contemporary society that includes powerful Arabs, exiled royalty, and pregnant cheerleaders. It also deals with the problem of redheads.

" As clever and witty a novel as anyone has written in a long time . . . Robbins takes readers on a wild, delightful ride. . . . A delight from beginning to end. " —*Buffalo News Switters* is a contradiction for all seasons: an anarchist who works for the government; a pacifist who carries a gun; a vegetarian who sops up ham gravy; a cyberwhiz who hates computers; a man

Read Online Half Asleep In Frog Pajamas Tom Robbins

who, though obsessed with the preservation of innocence, is aching to deflower his high-school-age stepsister (only to become equally enamored of a nun ten years his senior). Yet there is nothing remotely wishy-washy about Switters. He doesn't merely pack a pistol. He is a pistol. And as we dog Switters's strangely elevated heels across four continents, in and out of love and danger, discovering in the process the "true" Third Secret of Fatima, we experience Tom Robbins—that fearless storyteller, spiritual renegade, and verbal break dancer—at the top of his game. On one level this is a fast-paced CIA adventure story with comic overtones; on another it's a serious novel of ideas that brings the Big Picture into unexpected focus; but perhaps more than anything else, *Fierce Invalids* is a sexy celebration of language and life. Praise for *Fierce Invalids Home From Hot Climates* "Superb." —New York Post "Dangerous? Wicked? Forbidden? You bet. . . . Pour yourself a bowl of chips and dig in." —Daily News, New York "Robbins is a great writer . . . and definitely a provocative rascal." —The Tennessean "Whoever said truth is stranger than fiction never read a Tom Robbins novel. . . . Clever, creative, and witty, Robbins tosses off impassioned observations like handfuls of flower petals." —San Diego Union-Tribune

"This is one of those special novels—a piece of working magic, warm, funny, and sane." —Thomas Pynchon The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all "bursting with dimples and hormones" —and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes and its prices, is a

Read Online Half Asleep In Frog Pajamas Tom Robbins

major theme of Tom Robbins ' s classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind.
