The Routledge Course in Mandarin Chinese is a two-year undergraduate course for students with no prior background in Chinese study. Designed to build a strong foundation in both the spoken and written language it develops all the basic skills such as pronunciation, character writing, word use and structures, while placing strong emphasis on the development of communicative skills. The complete course consists of Textbook Level 1, Workbook level 1 - including free CDs, Textbook level 2 and Workbook level 2 -including free CDs. All books are available separately in simplified as well as traditional characters and take the students from complete beginner to post-intermediate level. For more information about the course and additional resources, please visit the companion website at [www.routledge.com/textbooks/9780415472517](#) Workbook Level 2 is designed to accompany Textbook Level 2 lesson by lesson, and offers exercises for homework, independent study and classroom use. The exercises focus on interpersonal, interpretative and presentational modes of communication while helping students to consolidate the vocabulary, characters, and structures introduced in each lesson. At the conclusion of this course, students will be able to read page-length texts for information, listen to and comprehend extended narratives on a variety of topics, and communicate a broad range of information orally and in writing. The course is also fully supported by an interactive companion website which contains a wealth of additional resources for both teachers and students. Teachers will find lesson plans in both English and Mandarin, providing a weekly schedule and overall syllabus for fall and spring, as well as activities for each lesson and answer keys. Students will be able to access downloadable character practice worksheets along with interactive pronunciation, vocabulary and character practice exercises. All the audio material necessary for the course is also available online and conveniently linked on screen to the relevant exercises for ease-of-use. For more information about the course and to access these additional resources, please visit the companion website at [www.routledge.com/textbooks/9780415472517](#) For bundle discounts please visit: [http://www.routledge.com/books/details/9780415533089/](#)

SOCALLT '04 is the sixth publication of the series documenting the sessions presented during the annual conferences of the South Central Association for Language Learning Technology (SOCALLT). This publication is a record of the sessions presented during the 2004 conference held at the San Jacinto College Central in Pasadena, TX on 6-7 February, 2004. All authors are current members of the organization. The articles of these proceedings focus on a variety of issues, such as new technologies for language learning, the integration of technology into the foreign language curriculum, the role of technology in the teaching and learning process, language materials development, and web-enhanced language instruction.

Rev. ed. of: Social work skills demonstrated: beginning direct practice: text-workbook, CD-ROM, and website. 2nd ed. 2006.

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. As well as clear teaching notes, the updated Starter A and B Teacher's Pack (Teacher's Book with DVD-ROM) offers lots of extra ideas and activities to suit different classroom situations and teaching styles. The DVD-ROM provides a range of extra printable activities, a comprehensive testing and assessment program, extra literacy and handwriting activities for non-Roman alphabet users and clear mapping of the syllabus against the CEFR 'can do' statements. It also includes the videos from the Self-study Pack DVD-ROM for classroom use.
