Article 1, Section 2, Clause 2: Members of the House must be American citizens for seven years. Change: They must be an American citizen for at least ten years. I infer that the Founding Fathers created this clause because then, after living in America for a decent amount of time would understand American government better.

~~Section 2: House of Representatives (change ...~~

"The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature. ... (The previous sentence in parentheses was modified by the 14th Amendment, section 2.)

~~Section 2: The House of Representatives - constitutionbryan~~

The House of Representatives shall be composed of members chosen every second year by the people of the several states, and the electors in each state shall have the qualifications requisite for electors of the most numerous branch of the state legislature.

~~**Section 2: House of Representatives. - Constitution~~

Article I, Section 2, Clause 1. In this clause, the members of the House of Representatives are elected by the people every two years. I would like to make a revision, and change the election date to every four years. Too frequent an election distracts the house member from concentrating on their legislative activities. This would be a better ...

Chapter 10 Section 2 Flashcards | Quizlet

Originally published in 2000, The Right to Vote was widely hailed as a magisterial account of the evolution of suffrage from the American Revolution to the end of the twentieth century. In this revised and updated edition, Keyssar carries the story forward, from the disputed presidential contest of 2000 through the 2008 campaign and the election of Barack Obama. The Right to Vote is a sweeping reinterpretation of American political history as well as a meditation on the meaning of democracy in contemporary American life.

This authoritative edition of the complete texts of the Federalist Papers, the Articles of Confederation, the U.S. Constitution, and the Amendments to the U.S. Constitution features supporting essays in which leading scholars provide historical context and analysis. An introduction by Ian Shapiro offers an overview of the publication of the Federalist Papers and their importance. In three additional essays, John Dunn explores the composition of the Federalist Papers and the conflicting agendas of its authors; Eileen Hunt Botting explains how early advocates of women ' s rights, most prominently Mercy Otis Warren, Judith Sargent Murray, and Charles Brockden Brown, responded to the Federalist-Antifederalist debates; and Donald Horowitz discusses the Federalist Papers from the perspective of recent experiments with democracy and constitution-making around the world. These essays both illuminate the original texts and encourage active engagement with them.

Section 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives. Section 2. The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the electors in each State shall have the qualifications requisite for electors of the most numerous branch of the State legislature. No Person shall be a Representative who shall not have attained to the Age of twenty five Years, and been seven Years a citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917 edition. Excerpt: ... Appendix THE CONSTITUTION OF THE UNITED STATES OP AMERICA (compared With The Original In The Department Of State) WE THE PEOPLE1 of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America. ARTICLE I. Section I. I. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives. Section 2. 1. The House of Representatives shall be composed of Members chosen every second Year by the People of the 1 In the original the clauses are not numbered, nor is there any title to the document. It begins, "we The People." several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature. 2. No Person shall be a Representative who shall not have attained to the Age of twenty-five Years, and been seven Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen. 3. "Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and excluding Indians not taxed, three fifths of all other Persons. The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of...
