The stunning Hunger Games trilogy is complete!The extraordinary, ground breaking New York Times bestsellers The Hunger Games and Catching Fire, along with the third book in The Hunger Games trilogy by Suzanne Collins, Mockingjay, are available for the first time ever in e-book. Stunning, gripping, and powerful. The trilogy is now complete!

In a future North America, where the rulers of Panem maintain control through an annual televised survival competition pitting young people from each of the twelve districts against one another, sixteen-year-old Katniss's skills are put to the test when she voluntarily takes her younger sister's place.

Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge.

This Special Edition of The Hunger Games includes the most extensive interview Suzanne Collins has given since the publication of The Hunger Games; an absorbing behind-the-scenes look at the creation of the series; and an engaging archival conversation between Suzanne Collins and YA legend Walter Dean Myers on writing about war. The Special Edition answers many questions fans have had over the years, and gives great insight into the creation of this era-defining work. In the ruins of a place once known as North America lies the nation of Panem, a shining Capitol surrounded by twelve outlying districts. The Capitol keeps the districts in line by forcing them all to send one boy and one girl between the ages of twelve and eighteen to participate in the annual Hunger Games, a fight to the death on live TV. Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister’s place in the Games. But Katniss has been close to death before—and survival, for her, is second nature. Still, if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

First in the ground-breaking HUNGER GAMES trilogy, this new foiled edition of THE HUNGER GAMES is available for a limited period of time. Set in a dark vision of the near future, a terrifying reality TV show is taking place. Twelve boys and twelve girls are forced to appear in a live event called The Hunger Games. There is only one rule: kill or be killed. When sixteen-year-old Katniss Everdeen steps forward to take her younger sister's place in the games, she sees it as a death sentence. But Katniss has been close to death before. For her, survival is second nature.

The greatly anticipated final book in the New York Times bestselling Hunger Games trilogy by Suzanne Collins. The Capitol is angry. The Capitol wants revenge. Who do they think should pay for the unrest? Katniss Everdeen. The final book in The Hunger Games trilogy by Suzanne Collins will have hearts racing, pages turning, and everyone talking about one of the biggest and most talked-about books and authors in recent publishing history!!!!

"This book addresses Suzanne Collins's work from a number of literary and cultural perspectives in an effort to better understand both its significance and appeal. Assuming that readers are familiar with all three volumes of The Hunger Games, the book also avoids plot summary and character analysis, instead focusing on the significance of the story and its characters"--Provided by publisher.

Mockstrich season has begun. Welcome to "The Hunger But Mainly Death Games," the hilarious Hunger Games parody, and the only book brave enough to suggest that Suzanne Collins's epic trilogy was way more about death than food.Or at least this is what Bratniss Everclean discovers, when she leaves the comforts of Slum 12, Pandumb's garbage dump, to shortsightedly volunteer for a teenage death tournament. But she soon realizes there are fates worse than death...like weirdly having to date her fellow competitor, and lifelong stalker, and lifelong stalker, Pita Malarkey. Okay, okay, it's not worse than DEATH, but it's still pretty annoying.Still, with help from her agent Oofie Triptrip and her mentor, Hagridmitch, who's pretty sure he can guide Bratniss to victory in the Tri-Wizard Cup, maybe Bratniss will somehow survive this book that she's the narrator of.
