DIY Jungian dream work and active imagination. Working on dreams in therapy is wonderful and indulgent, but nine times out of ten when doing dream work you are on your own. This book provides a practical approach for working with dreams, and it also details the process of active imagination. This book is about as practical as a book on dreams can be.

Personal Growth, by Robert A. Johnson. Book review by Tasha Tollman. Judging by the plethora of books on dream interpretation that can be found in most book shops, we all want to know what our dreams mean and pioneering Jungian Analyst, Robert Johnson explores avenues into the unconscious as they pertain to reading the symbolic language of dreams, engaging in Active Imagination and the use of ceremony and fantasy.
