How do the rich get rich? An updated edition of the “remarkable” New York Times bestseller, based on two

Online Library Kindle Paperwhite Deals

decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an

Online Library Kindle Paperwhite Deals

inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In

Online Library Kindle Paperwhite Deals

fact, the glamorous people many of us think of as “rich” are actually a tiny minority of America’s truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The

Online Library Kindle Paperwhite Deals

Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new

Online Library Kindle Paperwhite Deals

foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. “Their surprising results reveal fundamental qualities of this group that

Online Library Kindle Paperwhite Deals

are diametrically opposed to today's earn-and-consume culture." –Library Journal

A CLASSIC COMING-OF-AGE
STORY WHICH HAS HELD
GENERATIONS OF READERS
SPELLBOUND Rusty, a sixteen-

Online Library Kindle Paperwhite Deals

year-old Anglo-Indian boy, is orphaned, and has to live with his English guardian in the claustrophobic European part in Dehra Dun. Unhappy with the strict ways of his guardian, Rusty runs away from home to live with his

Online Library Kindle Paperwhite Deals

Indian friends. Plunging for the first time into the dream-bright world of the bazaar, Hindu festivals and other aspects of Indian life, Rusty is enchanted . . . and is lost forever to the prim proprieties of the

Online Library Kindle Paperwhite Deals

European community. This special edition marks the 60th anniversary of this award-winning book, written when the author was just seventeen. Poignant, heart-warming and an absolute classic, this book is

Online Library Kindle Paperwhite Deals

forever a joy to read.

A historic literary event:
the publication of a newly
discovered novel, the
earliest known work from
Harper Lee, the beloved,
bestselling author of the

Online Library Kindle Paperwhite Deals

Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed

Online Library Kindle Paperwhite Deals

to have been lost, the manuscript was discovered in late 2014. Go Set a Watchman features many of the characters from To Kill a Mockingbird some twenty years later. Returning home to Maycomb to visit her

Online Library Kindle Paperwhite Deals

father, Jean Louise
Finch—Scout—struggles with
issues both personal and
political, involving
Atticus, society, and the
small Alabama town that
shaped her. Exploring how
the characters from To Kill

Online Library Kindle Paperwhite Deals

a Mockingbird are adjusting to the turbulent events transforming mid-1950s America, Go Set a Watchman casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it

Online Library Kindle Paperwhite Deals

stands as a magnificent
novel in its own right.

The New York Times
bestseller Shortlisted for
the 2020 Financial Times &
McKinsey Business Book of
the Year Netflix cofounder

Online Library Kindle Paperwhite Deals

Reed Hastings reveals for the first time the unorthodox culture behind one of the world's most innovative, imaginative, and successful companies There has never before been a company like Netflix. It has

Online Library Kindle Paperwhite Deals

led nothing short of a revolution in the entertainment industries, generating billions of dollars in annual revenue while capturing the imaginations of hundreds of millions of people in over

Online Library Kindle Paperwhite Deals

190 countries. But to reach these great heights, Netflix, which launched in 1998 as an online DVD rental service, has had to reinvent itself over and over again. This type of unprecedented flexibility would have been

Online Library Kindle Paperwhite Deals

impossible without the counterintuitive and radical management principles that cofounder Reed Hastings established from the very beginning. Hastings rejected the conventional wisdom under which other companies

Online Library Kindle Paperwhite Deals

operate and defied tradition to instead build a culture focused on freedom and responsibility, one that has allowed Netflix to adapt and innovate as the needs of its members and the world have simultaneously transformed.

Online Library Kindle Paperwhite Deals

Hastings set new standards, valuing people over process, emphasizing innovation over efficiency, and giving employees context, not controls. At Netflix, there are no vacation or expense policies. At Netflix,

Online Library Kindle Paperwhite Deals

adequate performance gets a generous severance, and hard work is irrelevant. At Netflix, you don't try to please your boss, you give candid feedback instead. At Netflix, employees don't need approval, and the

Online Library Kindle Paperwhite Deals

company pays top of market. When Hastings and his team first devised these unorthodox principles, the implications were unknown and untested. But in just a short period, their methods led to unparalleled speed

Online Library Kindle Paperwhite Deals

and boldness, as Netflix quickly became one of the most loved brands in the world. Here for the first time, Hastings and Erin Meyer, bestselling author of *The Culture Map* and one of the world's most influential

Online Library Kindle Paperwhite Deals

business thinkers, dive deep into the controversial ideologies at the heart of the Netflix psyche, which have generated results that are the envy of the business world. Drawing on hundreds of interviews with current

Online Library Kindle Paperwhite Deals

and past Netflix employees from around the globe and never-before-told stories of trial and error from Hastings's own career, *No Rules Rules* is the fascinating and untold account of the philosophy

Online Library Kindle Paperwhite Deals

behind one of the world's most innovative, imaginative, and successful companies.

REESE'S BOOK CLUB PICK "An eerie, atmospheric novel that had me completely on

the edge of my seat."
--Reese Witherspoon You
won't want to leave. . .
until you can't. Half-hidden
by forest and overshadowed
by threatening peaks, Le
Sommet has always been a
sinister place. Long plagued

Online Library Kindle Paperwhite Deals

by troubling rumors, the former abandoned sanatorium has since been renovated into a five-star minimalist hotel. An imposing, isolated getaway spot high up in the Swiss Alps is the last place Elin Warner wants to be. But

Online Library Kindle Paperwhite Deals

Elin's taken time off from her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate their engagement at the hotel, Elin really has no reason not to accept.

Online Library Kindle Paperwhite Deals

Arriving in the midst of a threatening storm, Elin immediately feels on edge--there's something about the hotel that makes her nervous. And when they wake the following morning to discover Laure is

Online Library Kindle Paperwhite Deals

missing, Elin must trust her instincts if they hope to find her. With the storm closing off all access to the hotel, the longer Laure stays missing, the more the remaining guests start to panic. Elin is under

Online Library Kindle Paperwhite Deals

pressure to find Laure, but no one has realized yet that another woman has gone missing. And she's the only one who could have warned them just how much danger they are all in. . .
