This easy-to-use guide covers troubleshooting tips and tricks for Mac hardware and software, written by the well-known Macworld columnist and Macintosh guru Chris Breen. The book contains troubleshooting tips and techniques for both Mac OS 9 and OS X, and additional projects for making a Macintosh more productive-sharing files, making Mac OS X work more like Mac OS 9, and more.

A Companion to Ancient Epic presents for the first time a comprehensive, up-to-date overview of ancient Near Eastern, Greek and Roman epic. It offers a multi-disciplinary discussion of both longstanding ideas and newer perspectives. A Companion to the Near Eastern, Greek, and Roman epic traditions Considers the interrelation between these different traditions Provides a balanced overview of longstanding ideas and newer perspectives in the study of epic Shows how scholarship over the last forty years has transformed the ways that we conceive of and understand the genre Covers recently introduced topics, such as the role of women, the history of reception, and comparison with living analogues from oral tradition The editor and contributors are leading scholars in the field Includes a detailed index of poems, poets, technical terms, and important figures and events

Today's digital cameras provide image data files allowing large-format output at high resolution. At the same time, printing technology has moved forward at an equally fast pace bringing us new inkjet systems capable of printing in high precision at a very fine resolution, providing an amazing tonality range and longtime stability of inks. Moreover, these systems are now affordable to the serious photographer. In the hands of knowledgeable and experienced photographers, these new inkjet printers can help create prints comparable to the highest quality darkroom prints on photographic paper. This book provides the necessary foundation for fine art printing. The understanding of color management, profiling, paper and inks. It demonstrates how to set up the printing workflow as it guides the reader step-by-step through this process from an image file to an outstanding fine art print.

Traces the roller-coaster economic history of Eastman Kodak, its troubled situation in the mid-1980s, its struggle to revitalize itself, with the assistance of new CEO George Fisher, and its promise for the future. 30,000 first printing. Tour.

A complete and thorough DIY repair manual for Exakta VX and VXIIa cameras. The step-by-step instructions combined with excellent photographrt allow a high rate of success. Much of the information specific to these models has never been published!

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can ' t bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother ' s best friend , and her soul makes a first step to healing.
