After visiting Thailand a few months ago, I was interested to read this true story about a young man that migrated from China and started a family in Thailand in the 1940's. The reader really gets to know this man as he grows older through the letters that he wrote back home to his mother that were confiscated by the government, so she never ...

When the original Thai version of Letters
from Thailand appeared in Bangkok in 1969, it
was promptly awarded the SEATO Prize for Thai
Literature. Thirteen years later, it was
translated into English to reach a much wider
readership. Today, the book is still
considered one of Thailand's most
entertaining and enduring modern novels, and
one of the few portrayals of the immigrant
Chinese experience in urban Thailand. Letters
from Thailand is the story of Tan Suang U, a
young man who leaves China to make his
fortune in Thailand at the close of World War
II, and ends up marrying, raising a family,
and operating a successful business. The
novel unfolds through his letters to his
beloved mother in China. In Tan Suang U's
lively account of his daily life in Bangkok's
bustling Chiantown, larger and deeper themes
emerge: his determination to succeed at

business in this strange new culture; his hopes for his family; his resentment at how easily his children embrace urban Thai culture at the expense of the Chinese heritage which he holds dear; his inability to understand or adopt Thai ways; and his growing alienation from a society that is changing too fast for him.

"Recreates the experience of living in Thailand's aqueous climate so viscerally that you can feel the water rising around your ankles." —Ron Charles, Washington Post

"Important, ambitious, and accomplished."
—Mohsin Hamid, New York Times bestselling author of *Exit West* A missionary doctor pines for his native New England even as he succumbs to the vibrant chaos of nineteenth-century Siam. A post-World War II society woman marries, mothers, and holds court, little suspecting her solitary fate. A jazz pianist in the age of rock, haunted by his own ghosts, is summoned to appease the house's resident spirits. In the present, a young woman tries to outpace the long shadow of her political past. And in a New Krungthep yet to come, savvy teenagers row tourists past landmarks of the drowned old city they

themselves do not remember. Time collapses as these lives collide and converge, linked by the forces voraciously making and remaking the amphibious, ever-morphing capital itself. Bangkok Wakes to Rain is an elegy for what time erases and a love song to all that persists, yearning, into the unknowable future.

Following his girlfriend to her new teaching position in Thailand, a young reporter researches the story of American anthropologist Martiya van der Leun, following her suicide in the Thai prison where she was serving a lengthy sentence for murder.

A NEW YORK TIMES NOTABLE BOOK • A NEW YORK TIMES EDITORS' CHOICE • A tense, stunningly well-observed novel of a young American on the run, from Lawrence Osborne, "an heir to Graham Greene" (The New York Times Book Review) "Bangkok is the star of this accomplished novel. Its denizens are aliens to themselves, glittering on the horizon of their own lives, moving—restless and rootless and afraid—though a cityscape that has more stories than they know."—Hilary Mantel, Booker Prize-winning author of *Wolf Hall* and *Bring Up the Bodies* Escaping New York for the anonymity of Bangkok, Sarah Mullins arrives in Thailand on the lam with nothing more than a suitcase of purloined money. Her plan is to lie low and map out her next move in a high-

end apartment complex called the Kingdom, whose glass-fronted façade boasts views of the bustling city and glimpses into the vast honeycomb of lives within. It is not long before she meets the alluring Mali doing laps in the apartment pool, a fellow tenant determined to bring the quiet American out of her shell. An invitation to Mali's weekly poker nights follows, and—fueled by shots of yadong, good food, and gossip—Sarah soon falls in with the Kingdom's glamorous circle of ex-pat women. But as political chaos erupts on the streets below and attempted uprisings wrack the city, tensions tighten within the gilded compound. When the violence outside begins to invade the Kingdom in a series of strange disappearances, the residents are thrown into suspicion: both of the world beyond their windows and of one another. And under the constant surveillance of the building's watchful inhabitants, Sarah's safe haven begins to feel like a snare. From a master of atmosphere and mood, The Glass Kingdom is a brilliantly unsettling story of civil and psychological unrest, and an enthralling study of karma and human greed.

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget

guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

A Novel Botan

A brilliantly dark literary debut of death, destruction and interior decoration. "But for the floors, and the sofa, and the porn, and the dead and missing, the flat was restored to order." An old friend asks you to look after his two cats and his apartment. What could go wrong? Care of Wooden Floors is about how a tiny oversight can trip off a disastrous and farcical (fatal, even) chain of consequences. It's about a friendship between two men who don't know each other very well. It's about alienation and being alone in a foreign city. It's about the quest for perfection and the struggle against entropy. And it is, a little, about how to take care of wooden floors. Oskar is a Mittel-European minimalist composer best known for a piece called "Variations on Tram Timetables." He is married to a Californian art dealer named Laura and he lives with two cats, named after Russian composers, in an Eastern European city. But this book isn't really about Oskar. Oskar is in Los Angeles, having his marriage to Laura dismantled by lawyers. He has entrusted an old university friend with the task of looking after his cats, and taking care of his perfect, beautiful apartment. Despite the fact that Oskar has left dozens of surreally detailed notes covering every aspect of looking after the flat, things do not go well. Dark, funny and compelling, this novel takes your breath away with its extraordinarily distinctive writing. The voice is unexpected, constantly, but

Where To Download Letters From Thailand A Novel Botan

consistently conveys a universal human experience that pulls the reader right into the world of the narrator.
