In the last forty years, many Catholics have experienced an outpouring of the Holy Spirit in their lives that resulted in a new passion for God and a zeal for spreading the gospel. In addition to a newfound love of prayer, Scripture, and the Eucharist, many have been blessed with the supernatural gifts of the Holy Spirit, such as tongues and healing. Yet as the years go by, many often experience a waning of the gifts of the Spirit as well as a lukewarmness creeping into their lives. What can we do so that fire for God, which may have been ignited many years ago, will continue to burn brightly in our hearts? In this book, Sr. Ann Shields offers us an inspirational message that will help us to persist in prayer and keep asking for more of the Holy Spirit in our lives each day. By taking a serious look at our hearts and repenting where we have strayed, and by staying close to God in Scripture and the Eucharist, we can reignite the fire that once burned within us.

Are you on fire for Jesus like you want to be? Have you ever experienced the Christian "burn out"? The theory of the "Fire Triangle" states that you need three things to keep a fire burning; heat, fuel, and oxygen. Remove any one of these, and the fire will go out. The same can be said of your fire for God!We have an encounter with God, we get on fire, then we burn out. Sadly,

this is the story of many believers lives. But this is not the life Jesus called us to live. Matthew 5 tells us in three simple steps, exactly what our "job" as followers of Christ is supposed to look like. 1. Get Lit. 2. Stay Lit. 3. Spread It!The key to not burning out lies in understanding what our heat, fuel and oxygen are. Once we understand these, and keep them active in our daily lives, our fire will NEVER burn out. And that is what Jesus intended for us all along when He said, "You are the light of the world, like a city on a hilltop that cannot be hidden."This book will teach you how easy it is to truly get on fire for God and stay on fire. By applying the theory of the "fire triangle," looking at stories from the Bible, and personal testimonies, you will be inspired to become a wild fire for Jesus by getting lit, staying lit, and spreading it!
