Following the success of Illustration Now!, this installment presents a new selection of illustrators from all around the world on a budget price. Whereas the first volume brought together a fascinating mix of star illustrators and brand new faces that together formed the face of illustration around the world, Illustration Now! Vol. 2 is even more exciting, featuring illustrators from over 20 countries, with styles ranging from cutting edge to traditional. Also included is a dialog between design specialist Steven Heller and German illustrator Christoph Niemann about illustration's role in the world today. This book is perfect not only for creative professionals and illustration students, but also artists and anyone with an appreciation for visual language.

Use the imaginative line art in this book to produce your own beautiful works of art featuring glamorous fashion illustrations. Each fashion illustration is handdrawn by Basak Tinli.40 pages to color, printed on one side of pages. Each illustration will make you feel like a fashion designer, coloring the pages is also an effective and fun-filled way to relax and reduce stress.

Support whatever your kids' interests are. This one's for the future designers of all time. This book contains the present and the future of the fashion design industry with inspirations taken from only the world renowned designers. Your kids will definitely appreciate your full support in their passion when you buy this for them. Get a copy today.
