This practical guide has everything you need to know to operate your nonprofit according to generally accepted accounting principles (GAAP) — from documenting transactions and budgeting to filing taxes, preparing financial statements, and much more. You'll see how to stay organized, keep records, and be prepared for an audit.

Your hands-on guide to keeping great records and keeping your nonprofit running smoothly
Need to get your nonprofit books in order? This practical guide has everything you need to know to operate your nonprofit according to generally accepted accounting principles (GAAP) — from documenting transactions and budgeting to filing taxes, preparing financial statements, and much more. You'll see how to stay organized, keep records, and be prepared for an audit. Begin with the basics — understand common financial terms, choose your accounting methods, and work with financial statements Balance your nonprofit books — set up a chart of accounts, record transactions, plan your budget, and balance your cash flow Get the 4-1-1 on federal grants — find grants and apply for them, track and account for federal dollars, and prepare for a grant audit Stay in good standing with Uncle Sam — set up payroll accounts for employees, calculate taxes and deductions, and complete tax forms Close out your books — prepare the necessary financial statements, know which accounts to close, and prepare for the next accounting cycle Know what to do if you get audited — form an internal audit committee, follow IRS rules of engagement, and keep an immaculate paper trail Open the book and find: The

The most common errors found during nonprofit audits
How to figure out employee payroll deductions and taxes

BOOKKEEPING FOR NONPROFITS Bookkeeping for Nonprofits is a hands-on guide that offers nonprofit leaders, managers, and staff the tools they need to create and maintain a complete and accurate set of accounting records. This much-needed resource provides those with little or no bookkeeping experience with practical advice in a highly accessible format. Written by Murray Dropkin and Jim Halpin, *Bookkeeping for Nonprofits* is a step-by-step introduction to keeping accounting records, which form the foundation for a nonprofit organization's financial reports, tax returns, budgets, cash forecasts, and grant proposals. Using this volume as a guide, nonprofit leaders and staff will be able to set up books with or without accounting software and ensure that the records meet the needs of their organization. *Bookkeeping for Nonprofits* is a comprehensive resource that
Discusses how transactions provide day-to-day information for tracking cash balances and cash requirements
Shows how transactions provide information to management and the board of directors for budgeting and other essential tasks
Explains basic bookkeeping concepts, such as the accounting equation, the chart of accounts, and income and expense tracking
Guides readers through the nuts and bolts of recording a transaction
Provides an overview of alternative recordkeeping methodologies and how to choose among them
Designed to be easy to use, the book is filled with illustrations and checklists. "Bookkeeping for Nonprofits is the remarkable new guide for a new generation of accounting challenges bookkeepers face every day." —Frances Hesselbein, chairman and founding president, Leader to Leader Institute "Bookkeeping for Nonprofits provides a rare combination of consummate professionalism and clear, accessible writing. Underlying the wealth of technical information lies a great deal of wisdom. The authors have found a way to translate their enormous, on-the-ground experience into usable, actionable policies, procedures, and practices. It is a book that gives all you need to create a fiscally responsible agency with the bonus of helping you become a better manager and a wiser person." —Peter Block, business consultant and author of *Flawless Consulting* and *The Empowered Manager* "Bookkeeping for Nonprofits provides an excellent understanding of the practical application of bookkeeping in the real work environment." —Ron Werthman, vice president, finance/treasurer and CFO, Johns Hopkins Health System, The Johns Hopkins Hospital "This is a wonderful book that every bookkeeper in a nonprofit organization should have." —Eusebio David, fiscal director, Federation of Multicultural Programs, Inc.

Bookkeeping Basics No trained bookkeeper on staff? No problem. Many nonprofits don't have a trained bookkeeper on staff. This crucial function goes to whoever has the time and the willingness to do it. Lack of accounting training or background is not only frustrating for the individual, but also potentially risky for the nonprofit. *Bookkeeping Basics* will enable you to successfully meet the basic bookkeeping requirements of your organization. It gives you the knowledge and skills to track the financial activity of your nonprofit in a way that brings order out of chaos, safeguards the organization's assets, and provides useful information for making sound decisions. Clearly defines what you most need to know
In plain language, the book explains concepts and processes you most need to know, including: single- versus double-entry bookkeeping; cash versus accrual basis accounting; posting financial transactions; keeping a "paper trail" of source documents; preparing a trial balance; creating financial statements; establishing internal controls; preparing for your annual audit; and closing out your fiscal year. Step-by-step instructions, clear definitions of terms, and detailed examples help

you put concepts into actions. Reproducible forms include an accounts payable register, accounts receivable register, accounts receivable register, general ledger, financial summary form, grant tracking form, internal controls activity flow chart, and an audit preparation checklist. Bottom line: If you're the bookkeeper for your nonprofit--by choice or default--this book is for you!

Most popular book on the nonprofit financial governance directed at non-financial board members, management, and staff.

Nonprofit Accounting provides guidance in how to create and operate a nonprofit accounting system, close the books, and produce financial statements - all while operating in accordance with the unique nonprofit accounting standards. Coverage of nonprofit accounting standards includes revenue recognition, joint costs, split-interest agreements, and mergers and acquisitions. The book also describes detailed systems of control, budgeting, and ratio analysis to maintain a proper level of control over funds.

Nonprofit accounting can be difficult for small not-for-profit organizations. Lisa London, CPA, takes readers step by step through how to set up a bookkeeping system, how to navigate the IRS rules and regulations around donor acknowledgments, accountable reimbursement plans, and how to file payroll and other annual reports. Unrelated Business Income Tax (UBIT) is explained in detail and Lisa also steps the reader through filing out the 990 EZ and the 990 T forms.

A complete and easy to understand guide to the fundamentals of how not-for-profit organizations are formed and run, as well as their structure and the unique accounting and reporting issues they face. Providing you with a comprehensive understanding of how to maintain the "books" of a typical nonprofit entity and comply with numerous reporting requirements, *The Simplified Guide to Not-for-Profit Accounting, Formation & Reporting* equips you with everything you need to know to form a Not-For-Profit, setup an accounting system, record financial transactions and report to donors and regulatory bodies. Topics include: Step-by-step guide to forming a Not-For-Profit and applying for tax exemption Becoming familiar with unique Not-For-Profit accounting rules such as classifying contributions/grants and recording restrictions, allocation of expenses to programs and supporting services and investment classification and reporting Budget development, payroll processing and accounting for personnel costs Shows how to prepare and understand required Not-For-Profit financial statement and their components Provides you with a broad understanding of the numerous filing requirement required by donors, grantors and government regulatory agencies Practical and comprehensive in scope, *The Simplified Guide to Not-for-Profit Accounting, Formation & Reporting* offers a wealth of practical information to accountants and non-accountants alike for understanding Not-For-Profit financial transactions, financial statements and the many internal and external reports they must prepare.

Providing information on using QuickBooks to track financial data in nonprofit organizations, this book covers all versions of QuickBooks. Management of donors, grants, and pledges, and topics such as allocating expenses to programs, handling donor restrictions, and generating the reports needed for donors and tax returns are covered in detail. In addition to easy-to-follow instructions and tons of tips and workarounds, information on using QuickBooks for fundraising is provided.
