PACCAR MX-13 OPERATOR'S MANUAL Pdf Download—ManualsLib

Although the system has good intentions, the EGR and DPF systems can do terrible damage to your engine, reducing the lifespan and increasing your maintenance costs. 3K Calibrations provides EGR delete services alongside custom tuning that will have your Paccar engine pulling more and lasting longer.

Paccar EGR & DPF Delete—3K Calibrations

I have a customer that has a MX13 Paccar (EPA13) in a Peterbilt chassis. The truck/engine has 742,000 miles and he was having some DPF issues. He decided on having it tuned. Truck has been tuned, filters "cleaned", and EGR taken care of as well. The customer left at night and said the truck ran great, he thought he saw a haze of some sort, but just thought it was fog/dew since the road was wet.
