Watercolor or watercolour, also aquarelle, is a painting method in which the paints are made of pigments suspended in a water-based solution. Watercolor refers to both the medium and the resulting artwork. Aquarelles painted with water-soluble colored ink instead of modern water colors are called "aquarellum atramento" by experts. However, this term has been more and more passing out of use. The traditional and most common support/material to which the paint is applied/for watercolor ...

Watercolor painting - Wikipedia

The manufacturer's choice of using 100% cotton and pure spring water is a good one. Despite being hot-pressed to perfect smoothness, its sheets have a certain amount of grainy texture that undoubtedly adds to its looks and feels. ... All these factors make watercolor paper ideal for watercolor painting because it means the paper will be less ...

Pure watercolour - no tricks, no additional expenditure; just brush, paint and paper. Perfect for all levels, from aspiring artists to experts. Popular subject and medium.

The beauty of watercolour lies in the east of the techniques and their range of possibilities. With Simply Watercolour you can master the medium and create stunning paintings. This book will help you grasp all the basic watercolour techniques and teach you how to use them to maximum effect. Written in a friendly, informal style, the book will hold your hand all the way through, from buying your materials, to picking up a brush for the first time, and wondering how much water to mix with your paint.

Watercolours are the first choice for many painters, but few master the full potential of the medium. This book encourages you to be bold and colourful. Written by an internationally respected artist and teacher, it offers practical ways of working with watercolours, and shares ideas and thoughts that can make your painting methods more exciting and adventurous. With over 180 illustrations, it is a beautiful book that will be invaluable for both new and experienced painters alike. Contents include: A guide to materials and equipment - all you really need; The importance of drawing and sketching - developing your own individual approach to the subject; Instruction on composition, shape and perspective - what makes a painting work; Advice on colour and tones - explains the complementary colour principle in practical terms, so that a picture works in harmony; A range of marine, townscape and figure paintings to demonstrate the techniques, supported with detailed captions. This beautiful and inspirational guide will be of great interest to all artists, in particular watercolourists, and also holiday painters and cruise ship passengers. Beautifully illustrated with 180 colour illustrations.

A contemporary paint-every-day watercolor guide that explores foundational strokes and patterns and then builds new skills upon the foundations over the course of 30 days to create finished pieces. This beautifully illustrated and inspiring guided watercolor-a-day book is perfect for beginning watercolor artists, artists who want to improve their watercolor skills, and visual creatives. From strokes to shapes, this book covers the basics and helps painters gain confidence in themselves along with inspiration to develop their own style over the course of 30 days. Featuring colorful contemporary art from Mon Voir design agency founder and Instagram trendsetter Jema Rainey, this book's fresh perspective paints watercolor in a whole new light.

This is a story about three people, Jennifer, Alex, and Peter who were surrounded by three tragic moments at a childhood age. Now, looking back Peter visits his past and sees how it has affected and impacts his life.

Originally developed in the 18th century as a visual supplement to botanical nomenclature, botanical illustration and art uniquely fuse art and science by documenting the parts, details, and life cycles of plant species. In Drawing and Painting Botanicals for Artists, eminent botanical artist and veteran workshop instructor Karen Kluglein reveals her secrets for rendering leaves, flowers, berries, and branches both accurately and beautifully. The book begins with a brief history of the art form, followed by guidance on developing observational skills for this genre, key botanical terms and concepts, and the differences among botanical illustration, botanical art, and flower painting. The chapters that follow offer detailed guidance and demonstrations for drawing and painting botanicals in a variety of mediums: Drawing: Explore loose gestural drawing, precise measuring and rendering, and working from photographs with graphite, colored pencil, finepoint markers, pen and ink, and silverpoint. Painting: Master color mixing, washes, layering, gradations, values, and adding details in watercolor, gouache, and acrylic, plus guidance on adding 'personality' to your work and knowing when a painting is done. Drawing and Painting Botanicals for Artists shows artists at all skill levels how to translate careful observations into stunning works of art.

Hazel Soan is a popular and successful artist who divides her time between London and Cape Town, exhibiting her work widely. She has her own gallery in Fulham, London. She is author of eight bestselling books for HarperCollins and has made several successful DVDs. She was one of the art experts in the popular Channel 4 TV series Watercolour Challenge.

David Webb provides an inspirational and practical guide to painting beautiful still life pictures in watercolours and shows how to capture the exciting qualities of this wonderful medium. Using many step-by-step photographs he illustrates all the basic techniques, explaining how to paint reflective surfaces, smooth surfaces, textures and more. The book takes you through all the stages, from simple brush strokes to final details. Whatever your skill level you will be able to develop your own style using the demonstrations and exercises featured in these pages.

Jean Haines' enthusiasm for watercolours burst through every page of this inspirational book that will guide you, step by step, to creating beautiful and unique paintings of your own, whatever your ability. Accomplished artist Jean Haines shares her passion for watercolours in this wonderfully practical book. Known for her exciting techniques and love of colour, Jean takes you on an inspirational painting journey on which you'll encounter, amongst other things, magical watercolour flow, glorious washes, sunbursts, and a magnificent 'hotting it up' finale. With her simple exercises, clear advice and easy-to-follow projects, Jean pushes the boundaries and will alter the way you think about watercolours and painting for ever. With a selection of popular subjects, including animals, landscapes, buildings, flowers and people, there is something for everyone here, whatever their artistic ability.

Oils give a rich, majestic quality to a painting but may often be deemed too tricky or ambitious to try. This practical book puts the joy of painting with oils within reach of all who want to develop their skills. Examples of landscape, marine, nude and equestrian paintings will inspire and show the rich diversity, texture and depth that oil painting can achieve. Written by a professional painter, it encourages artists of all levels to experiment with the medium and to develop their art. Contents include: the importance of drawings; a guide to oil paints suggesting a key range of colours; step-by-step examples with practical tips throughout; advice on composition, colour and light, and framing. An authoritative and beautiful guide to painting with oils, aimed at oil painters and, in particular, coastal and landscape - this new book will encourage artists of all levels to experiment with the medium and develop their art. Superbly illustrated with 108 colour images.
