The culmination of Brad Steiger's 50 years of paranormal research, this book is a bold telling of true ghost stories and firstperson encounters with the supernatural. Arranged topically, it covers every sort of ghost and haunting: poltergeists, shadow beings, and phantoms alongside haunted apartments, hotels, and trains. From ghosts that still haunt Ohio's State Reformatory, otherwise known as Shawshank, to Abe Lincoln's regular consultation with mediums, this compendium delves into the true scary stories from both historical documents and personal accounts. In its 30 chapters, spirits represented include the good ("Ghosts that Saved Lives"), the bad ("Invisible Home Wreckers"), and the ugly ("Demonic Spirits That Whisper Commands to Kill"). The book goes on to unearth the ghastly goings-on and macabre manifestations at haunted places such as museums, churches, graveyards, restaurants, and sacred sites while also instructing how to perform a cleansing ritual to rid a home of unwanted spectral visitors. This second edition is updated to include new stories and compelling evidence of both the existence of ghosts and proof of hauntings that will entertain, induce chills, and make the doubtful believe.

After losing the family fortune to a fraudulent psychic, inventor Henry Strauss is determined to bring the otherworld under control through the application of science. All he needs is a genuine haunting to prove his Electro-Sance will work. A letter from wealthy industrialist Dominic Gladfield seems the answer to his prayers. Gladfield's proposition: a contest pitting science against spiritualism, with a hefty prize for the winner. The contest takes Henry to Reyhome Castle, the site of a series of brutal murders decades earlier. There he meets his rival for the prize, the dangerously appealing Vincent Night. Vincent is handsome, charming...and determined to get Henry into bed. Henry can't afford to fall for a spirit medium, let alone the competition. But nothing in the haunted mansion is quite as it seems, and soon winning the contest is the least of Henry's concerns. For the evil stalking the halls of Reyhome Castle wants to claim not just Henry and Vincent's lives, but their very souls.

A collection of plays by American Indian playwright William S. Yellow Robe Jr.

Hunted by dark spirits, she's running out of options... At first glance, she probably seemed like any woman in her prime - Full of life, fearless, and dances like everyone's watching. Except no one is because she's dead. Worse than dead, she's invisible. No one can see, hear, or feel her and who can live dead like that? Oh, by the way, she also has no idea who she is, how she died, or who killed her. As if that's not bad enough, dark spirits are hunting her. Knowing she can't fight them off forever, she's running out of options and is determined to do whatever it takes to survive. Enter Jack, with his killer smile and wicked sharp blades. He can see her. Touch her. And kisses like a sinner with no interest in finding salvation. When Jack offers her a chance of a lifetime, she's all too eager to accept his help and follow him home. What she finds when they go through his front door defies everything she thought life was about. He isn't just her savior. He's something far more dangerous. And he doesn't live alone. Can she trust her instincts and navigate through the fog of her past to find out what happened to her? If so, how does Jack play a role in her life... and death? This is a Reverse Harem Novel with graphic language, sexual content, and violence. Don't step into this world unless you want to play with the big

boys. And yeah, they run in packs. All the Hell Hounds do. Restless Spirit is Book 1 in the first trilogy of the Hell Hounds Harem series.

A young Indian in the USA embraces a cause rooted in his motherland, but one that he doesn't fully understand. A student's world is turned upside down when his friend and her family are caught in the cross hairs of volatility and violence. A train burns as it enters Delhi, and the sole Sikh survivor shares with the nation the harrowing tale of his survival . . . These and many other stories form this heart-rending collection that evokes the horrors and uncertainties of 1984, through the tales of ordinary people caught in something bigger than themselves. Set during a time of monumental upheaval, *Night of the Restless Spirits* blurs the lines between the personal and political, and takes the reader on a journey fraught with love and tinged with tragedy, frayed relationships, the breaking down of humanity and resilience in the face of absolute despair. These stories tell us that people are capable of the best and the worst, but that ultimately there is always hope.

“This exceptionally well-written book is good reading, not only for specialists but also for beginning students interested in women, Korean culture, and shamanism.” *Journal of Asian Studies* “Kendall maintains a closeness with and respect for her subject that keeps away the chill of academic distance and yet avoids sentimentality.” *Korean Quarterly*, Spring 2001

Presents a collection of twenty-two ghostly tales

A resurrection witnessed, skeletons unearthed from the cellar of a saloon, and a ghostly apparition searching for her lost child—these stories and more will chill your bones, curdle your blood, and make even the most confident skeptic believe in the supernatural! Read about strange voices, sounds, and glowing orbs that were recorded and photographed in a Utah cemetery; light bulbs that were seen floating in the air; and the ghost of an outlaw hermit who torments anyone who dares enter her habitat! Linda Dunning, the award-winning author of *Specters in Doorways* and *Lost Landscapes*, has gone far beyond the unbelievable with her stories of the gruesome and unexplained. According to this author, no place is exempt from being haunted! Read it and prepare to believe in ghosts!

"You tell me the dead are coming through a crack in my barn, but I shouldn't worry?!" Fayetteville seems ordinary enough, but in this little town, all the legends - the fairytales and the folklore - live next door! Marilee Harper is desperate to find another job after she accidentally set fire to the home of the richest woman in town. Converting an old hospital into a bed and breakfast seems like a golden opportunity. Stressed and aggravated, Marilee wants nothing more than to redeem herself, even if faucets and lights turn themselves off and on, and old baseballs fly without help. John Smith has every confidence in the bossy, strong woman he hired to launch his bed & breakfast. She handled difficult customers at the bank and now she's handling electricity and plumbing and whatever unseen force keeps throwing baseballs. But when the angry, treacherous King of the Fairies shows up, can Marilee become his champion? Award-winning sequel to the hilarious romp, *Feeling Lucky Paranormal* Finalist in Colorado Romance Writer's 2015 Award of Excellence Contest "the contribution from colorful characters makes it a pleasing read!" - Ana, *InD'tale* "The story really gets good and mysterious when things around the Bed and Breakfast start happening... This was a fun read, you really do get to see the characters grow and change throughout the story." - Terry, *ChickLitPlus* "one book that will suck you in and give you some curve balls that you don't see coming" - Jackie, *The Book Maven* "really enjoyed the characters and dialogue in the book and look forward to reading other books" - brriske, *Paranormal Romance and Authors That Rock* "I really like that this story takes you on a journey and is written in such a way that you can connect with the main character Marilee..." - *OnlineBookClub* "I commend the author on creating a non-traditional hero and heroine... I did enjoy reading *RESTLESS SPIRITS* and it piqued my interest for the first book in the series, *FEELING LUCKY*, which was reviewed last year by Smart Girl Trina." - Kristal, *Smart Girls Love Sci-Fi*
