~~Salvage the Bones by Jesmyn Ward - Goodreads~~

Salvage the Bones is a 2011 novel by Jesmyn Ward and was the 2011 recipient of the National Book Award for Fiction. The novel explores the plight of a working-class African-American family in Mississippi as they prepare for Hurricane Katrina and follows them through the aftermath of the storm.

~~Salvage the Bones - Wikipedia~~

My favourite thing about Salvage the Bones is the way Ward weaves life and death so breathtakingly closely. The climax which Ward builds her novel around has to be read to be believed; the hurricane is the 'murderous mother who cut us to the bone but left us alive, left us naked and bewildered as newborn babies.'

Salvage the Bones is Jesmyn Ward 's second novel and the recipient of the 2011 National Book Award.

~~Salvage the Bones Study Guide | GradeSaver~~

At the heart of Jesmyn Ward's Salvage the Bones are two very different but parallel stories of new motherhood: that of the central protagonist, Esch, and that of China, Esch's brother Skeetah 's prize fighting dog.

~~Motherhood and Violence Theme in Salvage the Bones | LitCharts~~

As Salvage the Bones progresses towards its climax—the arrival of Hurricane Katrina, the real-life category-five storm which devastated the Gulf Coast in 2005 —and as the Batiste family desperately struggles to outwit the storm, Jesmyn Ward employs heavy dramatic irony to suggest that it is nature that controls humanity, not the other way around.

Salvage the Bones is Jesmyn Ward's National Book Award-winning story of a 14-year-old African-American girl and her family living near the Mississippi coast in the days before, during and after Hurricane Katrina.. From the publisher:. A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned.

Enduring a hardscrabble existence as the children of alcoholic and absent parents, four siblings from a coastal Mississippi town prepare their meager stores for the arrival of Hurricane Katrina while struggling with such challenges as a teen pregnancy and a dying litter of prize puppies.

WINNER OF THE NATIONAL BOOK AWARD 2011

A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned. He's a hard drinker, largely absent, and it isn't often he worries about the family. Esch and her three brothers are stocking up on food, but there isn't much to save. Lately, Esch can't keep down what food she gets; at fifteen, she has just realized that she's pregnant. Her brother Skeetah is sneaking scraps for his prized pit bull's new litter, dying one by one. Meanwhile, brothers Randall and Junior try to stake their claim in a family long on child's play and short on parenting. As the twelve days that make up the novel's framework yield to a dramatic conclusion, this unforgettable family - motherless children sacrificing for one another as they can, protecting and nurturing where love is scarce - pulls itself up to face another day.

Winner of the National Book Award Jesmyn Ward, two-time National Book Award winner and author of *Sing, Unburied, Sing*, delivers a gritty but tender novel about family and poverty in the days leading up to Hurricane Katrina. A hurricane is building over the Gulf of Mexico, threatening the coastal town of Bois Sauvage, Mississippi, and Esch's father is growing concerned. A hard drinker, largely absent, he doesn't show concern for much else. Esch and her three brothers are stocking food, but there isn't much to save. Lately, Esch can't keep down what food she gets; she's fourteen and pregnant. Her brother Skeetah is sneaking scraps for his prized pitbull's new litter, dying one by one in the dirt. Meanwhile, brothers Randall and Junior try to stake their claim in a family long on child's play and short on parenting. As the twelve days that make up the novel's framework yield to their dramatic conclusion, this unforgettable family--motherless children sacrificing for one another as they can, protecting and nurturing where love is scarce--pulls itself up to face another day. A big-hearted novel about familial love and community against all odds, and a wrenching look at the lonesome, brutal, and restrictive realities of rural poverty, *Salvage the Bones* is muscled with poetry, revelatory, and real.

'...And then we heard the rain falling, and that was the drops of blood falling; and when we came to get the crops, it was dead men that we reaped.' Harriet Tubman
In five years, Jesmyn Ward lost five men in her life, to drugs, accidents, suicide, and the bad luck that can follow people who live in poverty, particularly black men. Dealing with these losses, one after another, made Jesmyn ask the question: why? And as she began to write about the experience of living through all the dying, she realized the truth--and it took her breath away. Her brother and her friends all died because of who they were and where they were from, because they lived with a history of racism and economic struggle that fostered drug addiction and the dissolution of family and relationships. Jesmyn says the answer was so obvious she felt stupid for not seeing it. But it nagged at her until she knew she had to write about her community, to write their stories and her own. Jesmyn grew up in poverty in rural Mississippi. She writes powerfully about the pressures this brings, on the men who can do no right and the women who stand in for family in a society where the men are often absent. She bravely tells her story, revisiting the agonizing losses of her only brother and her friends. As the sole member of her family to leave home and pursue high education, she writes about this parallel American universe with the objectivity distance provides and the intimacy of utter familiarity.

The first novel from National Book Award winner and author of *Sing, Unburied, Sing* Jesmyn Ward, a timeless Southern fable of brotherly love and familial conflict—"a lyrical yet clear-eyed portrait of a rural South and an African American reality that are rarely depicted" (*The Boston Globe*). *Where the Line Bleeds* is Jesmyn Ward's gorgeous first novel and the first of three novels set in Bois Sauvage—followed by *Salvage the Bones* and *Sing, Unburied, Sing*—comprising a loose trilogy about small town southern family life. Described as "starkly beautiful" (*Publishers Weekly*, starred review), "fearless" (*Essence*), and "emotionally honest" (*The Dallas Morning News*), it was a finalist for the Hurston/Wright Legacy Award and the Virginia Commonwealth University Cabell First Novelist Award. Joshua and Christophe are twins, raised by a blind grandmother and a large extended family in rural Bois Sauvage, on Mississippi's Gulf Coast. They've just finished high school and need to find jobs, but after Katrina, it's not easy. Joshua gets work on the docks, but Christophe's not so lucky and starts to sell drugs. Christophe's downward spiral is accelerated first by crack, then by the reappearance of the twins' parents: Cille, who left for a better job, and Sandman, a dangerous addict. Sandman taunts Christophe, eventually provoking a shocking confrontation that will ultimately damn or save both twins. *Where the Line Bleeds* takes place over the course of a single, life-changing summer. It is a delicate and closely observed portrait of fraternal love and strife, of the relentless grind of poverty, of the toll of addiction on a family, and of the bonds that can sustain or torment us. Bois Sauvage, based on Ward's own hometown, is a character in its own right, as stiflingly hot and as rich with history as it is bereft of opportunity. Ward's "lushly descriptive prose...and her prodigious talent and fearless portrayal of a world too often overlooked" (*Essence*) make this novel an essential addition to her incredible body of work.

"A significant novel, beautifully crafted and deeply felt. Beha creates a high bonfire of our era's vanities. . . . This is a novel to savor."- Colum McCann
Through baseball, finance, media, and religion, Beha traces the passing of the torch from the old establishment to the new meritocracy, exploring how each generation's failure helped land us where we are today. What makes a life, Sam Waxworth sometimes wondered—self or circumstance? On the day Sam Waxworth arrives in New York to write for the *Interviewer*, a street-corner preacher declares that the world is coming to an end. A data journalist and recent media celebrity—he correctly forecast every outcome of the 2008 election—Sam knows a few things about predicting the future. But when projection meets reality, life gets complicated. His first assignment for the *Interviewer* is a profile of disgraced political columnist Frank Doyle, known to Sam for the sentimental works of baseball lore that first sparked his love of the game. When Sam meets Frank at Citi Field for the Mets' home opener, he finds himself unexpectedly ushered into Doyle's crumbling family empire. Kit, the matriarch, lost her investment bank to the financial crisis; Eddie, their son, hasn't been the same since his second combat tour in Iraq; Eddie's best friend from childhood, the fantastically successful hedge funder Justin Price, is starting to see cracks in his spotless public image. And then there's Frank's daughter, Margo, with whom Sam becomes involved—just as his wife, Lucy, arrives from Wisconsin. While their lives seem inextricable, none of them know how close they are to losing everything, including each other. Sweeping in scope yet meticulous in its construction, *The Index of Self-Destructive Acts* is a remarkable family portrait and a masterful evocation of New York City and its institutions. Over

the course of a single baseball season, Christopher Beha traces the passing of the torch from the old establishment to the new meritocracy, exploring how each generation's failure helped land us where we are today. Whether or not the world is ending, Beha's characters are all headed to apocalypses of their own making.

A soldier in Vietnam becomes sucked into the Civil Rights movement through a letter written home to the parents of a friend killed in Birmingham's early 1960s wave of racially motivated violence. Reprint.

SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. This 35-page guide for "Salvage the Bones" by Jesmyn Ward includes detailed chapter summaries and analysis covering 12 chapters, as well as several more in-depth sections of expert-written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Nature's Destructive and Life-giving Power and Attitudes towards Women.

As fictional characters go, few embody such striking contradictions as cardsharp Elias Abrams: Jewish by birth, he joins the Confederate Army during the Civil War. Indeed, the question of duality runs deep through this novel — not only is Elias a Jew defending the right to oppress a people, but after he helps to commit a horrific crime, he finds himself unexpectedly overtaken by the power of love. Exploring themes of literature, redemption, atonement, and love, this novel delivers a startling dose of moral ambiguity, keen insights into the human condition, and unexpected moments that devastate with their casual simplicity.
