Effective Cover Letter - Resume writing Service

Include your full name and contact information at the top of your cover letter. Start the cover letter by respectfully addressing the recipient by name. Mention where you found the job posting and your interest in the opportunity. Use the first paragraph to explain why you would be a great hire as the mechanical engineer.

The companion volume to "Last Minute Resumes" offers readers a wide variety of templates that can be adapted to write cover letters that make winning first impressions.

Your cover letter is what decides if a company looks at your resume, contacts you for an interview, or gets you placed in the rejection pile. Knowing that, it is important to create a well-written, eye-catching letter that sells your achievements and job skills to impress the recruiter. However, many people are unable to effectively translate their thoughts into words when faced with the task. That is where The Complete Guide to Writing Effective Resume Cover Letters comes in. With this book you will be able to craft a letter that will undoubtedly land you the interview. In this new book, you will learn how to address your letter, how to grab the reader's attention immediately, how to format your letter, how to choose the font, how to be professional but persuasive, how to choose the type of paper, and how to target your letter. You will also learn about writing the different kinds of letters, including those in response to a classified advertisement, those in response to a blind advertisement, those sent to employment agencies, cold letters, and broadcast letters; writing style guidelines; what to include in your letter; writing for an online audience; cover letter styles; and common mistakes recruiters abhor. Additionally, you will find examples of effective and ineffective letters, proven tips for making your letter stand out, sample phrases to use, and letters for new graduates, for professionals, and for those changing careers. Also included are samples specific to job industries, including administration and clerical; accounting; banking and finance, government; health care and social services; hospitality and food service; human resources; law enforcement and legal; manufacturing; sales, marketing, and customer service; skilled trades; technology; and science and engineering. The companion CD-ROM is packed with samples and worksheets to help you brainstorm and create a successful cover letter. By following the step-by-step instructions outlined in The Complete Guide to Writing Effective Resume Cover Letters you will ensure that your letter will impress the recruiter and that you will be contacted for an interview. In the end you will create a tool that will be of enormous importance to you in your job search. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company presidentâ(tm)s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Resumes for Engineering Careers helps you create a tailor-made resume that will help you land your perfect job. It takes you step-by-step through the process, helping to assess your talents and organize them into a standout resume, whether you just graduated from college, are changing careers, or are re-entering the job market after years at one company.

English for Mechanical Engineering is written to fulfill students' needs to learn English as a preparatory for job communication. This book is designed to provide an opportunity to develop students' English skills more communicatively and meaningfully. It consists of twenty eight units. Each unit presents reading, writing, and speaking section. Reading section consists of pre-reading, reading comprehension and vocabulary exercises related to the topic of the text. In writing section, some structures and sentence patterns are completed with guided writing exercises. Meanwhile, in speaking section, students are provided with models and examples followed by practical activities which are presented in various ways. In addition, students are also equipped with listening comprehension skill which is presented in a separate textbook. The materials have been arranged and graded in accordance with their language levels. Above of all, to improve the quality of this textbook, criticism and suggestions for better editions are highly appreciated.

Offers advice on job hunting for recent graduates and sample resumes for entry-level positions, including cosmetologist, disc jockey, guidance counselor, lobbyist, pharmacist, real estate agent, and webmaster.

Your CV, cover letter and LinkedIn profile are your first communication with a prospective employer. As the job market is more competitive than ever, grabbing an employer's attention and making the right first impression has never been more important. If you compromise on the quality of your CV, cover letter and LinkedIn profile, you reduce your chances of winning an interview. This book, which will appeal to anyone from entry level to board level, is a step-by-step guide on how to approach job hunting and achieve a killer competitive advantage by producing an impressive CV, cover letter and LinkedIn profile. Invaluable views and advice from senior HR and industry professionals, who are often the first point of entry, are provided throughout the book. How to Write an Impressive CV and Cover Letter will support jobseekers through the entire job-hunting process. It offers access to practical, real-life examples of CVs and cover letters that have secured interviews and helped individuals win their dream job. Readers will gain access to these documents, together with valuable templates, as part of the book.

Face it--words matter when it comes to getting noticed, getting the interview, and getting the job. In this invaluable guide to crafting the pitch that opens doors, staffing experts Schuman and Nadler give you hundreds of tools to make that happen. You will no longer struggle to find the phrases that best highlight your achievements; instead, you'll garner attention with such smart options as: I created a program that accomplished the following . . . My work generated \$5 million in revenue . . . I built a team of employees who created . . . The work I did saved my company \$3 million . . . I solved the following problems for my employer . . . The market's tight, but the jobs are out there. With these essential words and phrases, you can move your application to the top of the pile!

Civil engineers, mechanical engineers, structural engineers, marine engineers, chemical engineers, systems engineers, and engineering support personnel have a lot in common when they want to create a resume, and this book shows resumes and cover letters of individuals who want to work in the field. For those who seek federal employment, there's a special section showing how to create federal resumes and government applications. A word of advice from Editor Anne McKinney: "If you want to enter the engineering field or advance in the industry, you don't need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the engineering field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don't play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make." Praise for other books in the Real-Resumes Series:"Distinguished by its highly readable samples." Library Journal"Since many technical types aren't writers, this comes as a special gift: select a winning format, plug in your background specs, and away you go. It's that easy--with REAL RESUMES in hand." - The Midwest Book Review!This thoughtful resource should come as a welcome and valuable tool.!:Small PressTestimonials from people who have successfully used this book:"Although I graduated from college in a recession when engineers were not in demand, I was able to find a job when my peers could not because I turned to the great samples in the Real-Resumes book for engineers. This book gave me the confidence to show off my summer experience and internships in ways that were professional and appealing to companies. I actually had multiple interviews when my friends weren't even getting call backs." A. Santos"After many years in the engineering field, I decided that I wanted to make a career change into the nonprofit arena. The Real-Resumes Series showed me sample after sample of resumes used by real people to change careers, and I found the words to communicate my potential to do something I'd never been paid to do." T. Antelakos:Coming from military experience, I had an engineering background but I had been working in the 'foreign language' of military acronyms and military jargon. Thanks to this book, I learned how to express myself in civilian language.!: G. Ching
