"Keep It Simple Selling" is all about shortcuts! Let's make selling cars easier. . . Let's make selling trucks faster. . . And for heaven's sake, let's make it fun! Imagine for a moment how it would feel if you could sell cars just by being yourself and finding ways to serve others naturally and easily. How would your life be different if sales opportunities continuously dropped out of the sky and into your lap, with no stress or struggle? Would you like to sell 80 percent of the people you talk to every day? The automotive business is a gold mine. Not just for a few natural salespeople---for anyone. In this industry, anyone can advance as far as they want. There's no barrier to entry, and there's no glass ceiling. Your raise becomes effective when you do. Damian Boudreaux started out cleaning parts in his friend's transmission shop. From there, he tried and stumbled and tried again to sell more cars than the month before. It wasn't until he began to open his eyes and pay attention to the people around him that he understood what it really takes to succeed in the automotive business. The lessons he learned during his journey to becoming a consistently top-selling salesman are humbling and inspiring at the same time.

The purpose of the IGC Code is to provide an international standard for the safe carriage by sea of liquefied gases (and other substances listed in the Code) in bulk. To minimize risks to the ships, their crews and the environment, prescribes the design and constructional standards of such ships and the equipment they should carry. The 1993 edition incorporates amendments adopted in 1992 by resolution MSC.30(61).

Enjoy your Sustainable Lifestyle without Giving up Flavors and Tasty food. Being a supporter of healthy diets, I've always looked for the best one to base my lifestyle on. As I studied every diet I heard about, I started thinking that everyone of them was missing something, whether the tastiness, or a proper nutrition.. None of the most famous diets seemed to fulfill me. Don't wait for tomorrow. Scroll up and

Digital photography, which transfers traditional film and darkroom techniques to the desktop computer, is offering new possibilities that are changing our entire approach to taking pictures. The Digital Photography Handbook is a complete illustrated guide to electronic photography, written in non-technical language that anyone can understand. The manual begins with an equipment guide to finding the right digital camera; there is also information on computers, monitors, scanners, and printers. The techniques section covers topics such as the gathering of digital images, creating a digital library, scanning, color printing, digital imagery and the Internet, and downloading to a PC. Finally, there are creative step-by-step projects for editing, retouching, special effects, and practical applications, such as greeting cards and sales documents.
