How to Reset the service engine light on a Saturn S-Series ...

Service Engine Soon Light Meaning. If the ' Service Engine Soon ' light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

Service Engine Soon Light [How to fix it?] Meaning & Causes

2003 VUE 3.0L. Re: SERVICE ENGINE SOON light. Some '03 V6s will give a SES light for a thermostat code because the temp didn't come up quickly enough over several cycles. I've found this to be true on mine and it happens at the start of cold weather.

Coolant light is for the sensor, located under the reservoir. Sort of fun to do. Done 4 on Saturn's. Certain GM dealerships can still service Saturns. some are still under contract with GM to service them. you may want to call around & see. Go to the local auto parts stores & they can tell you what the SES light is on for.
