includes questions on plot points, themes ...

One of the first American short story writers, Nathaniel Hawthorne is also among the finest. A sampling of his stories reads like an anthology of great literature: *My Kinsman, Major Molineux*; *The Celestial Railroad*; *The Minister's Black Veil*; *The Maypole of Merry Mount*; *The Birthmark*. Common to all Hawthorne's work is an intellectual, emotional, and psychological richness that may well remain unparalleled in fiction today. Indeed, as scholars learn more about history, literature, sociology, and psychology, the more they unlock secrets in Hawthorne's work. Few writers, of any generation, genre, or language have shared - or even approached - Hawthorne's lucid vision of the mind's hidden landscape. More remarkable, perhaps, was the compassion he felt for his subjects, while exploring their sin, guilt, cruelty, and arrogance. Human beings, he felt, can afford to face their flaws because they have the capacity to grow beyond them. Even his peers acknowledged his place in literary history: D. H. Lawrence called Hawthorne "the American wonder-child with his magical, allegorical insight"; Henry James wrote an entire book of criticism about him; and Herman Melville, in deference to Hawthorne's "great power of blackness," dedicated *Moby Dick* to his friend and neighbor. Nancy Bunge investigates the whole of Hawthorne's short fiction canon, including a number of the less celebrated stories. Her specific and detailed analyses include fresh commentaries on Hawthorne's lush and demanding fiction, including observations afforded by the moral, social, and historical interpretations of the stories. Many of her theories are not found in the extant body of criticism, and still others take the general patterns of critical interpretation to new levels. Bunge's thorough inspection also sheds light on the relation of the fiction to Hawthorne's own biography, including his Puritan roots.

This is the first analysis of the fiction of Nathaniel Hawthorne and his perception of history. In his study, Charles Swann examines the whole of Hawthorne's literary career and gives proper weight to the unfinished work. Hawthorne saw history as a struggle between the authoritative claims of tradition on the one hand and the conflicting but equally valid claims of the desires for revolutionary transformation on the other. To evaluate Hawthorne's view of history, Swann provides close readings of such key shorter works as Alice Doane's *Appeal* and *Main Street*, as well as the most detailed analysis to date of the unfinished works *The American Claimant* Mss and *The Elixir of Life* Mss (two works which exemplify the temptations of tradition and the exhilaration of the revolutionary moment). This study asks us to explore how Hawthorne presents and interprets history through his fiction: for example, the history of crucial sins of the past (and the contemporary placing of such sins) in *Alice Doane's Appeal*, the problematic nature of the American Revolution in *The Elixir of Life* Mss, and the role of society in *The Scarlet Letter*. Swann's innovative study will be of interest to students and scholars of American literature, history, cultural studies, and literary criticism.

Approximately 2600 entries, including reviews, news reports, a selection of obituaries, and reviews of all 19th-century book-length studies of Hawthorne's life and literary career.

This book is the first-ever selected edition of Nathaniel Hawthorne's letters--169 personal letters and eight letters written while Nathaniel Hawthorne was an American consul. Myerson carefully selected letters focusing on Hawthorne's relationship with famous people of the day: letters written to his wife, Sophia; letters describing everyday life in Salem, Boston, Concord, Britain, France, and Italy; letters in which Hawthorne comments on contemporary literature and his career as an author; and letters that reveal Hawthorne's thoughts and beliefs. Myerson's single-volume *Selected Letters of Nathaniel Hawthorne* is a welcome addition to the twenty-three-volume Centenary Edition of the Works of Nathaniel Hawthorne (OSU Press)

## Where To Download Study Of Nathaniel Hawthorne Multiple Choice Answers

A Study Guide for Nathaniel Hawthorne's "The Scarlet Letter," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

When he was a student at Oxford University, C. S. Lewis wrote to a friend expressing his great admiration of and enthusiasm for the novels of Nathaniel Hawthorne, particularly *The House of the Seven Gables* and *Transformation* (British title of *The Marble Faun*). This study examines the parallels between these two kindred spirits and their works, focusing on their similar worldviews, their personal backgrounds and lifestyles, and the "Ultimates" they both pondered. It discusses common themes in their works, such as myth, scientism, and "the great power of blackness." Their respective attitudes toward these issues and others, such as faith, repentance, heaven and hell, confession, church attendance, the clergy, and Puritanism are strikingly similar. Considerable attention is given to "companion pieces" of the two writers, with discussion of the so-called "Fortunate Fall" in *The Marble Faun* and *Perelandra*, veil imagery in "The Minister's Black Veil," *The Blithedale Romance*, and *Till We Have Faces*, influence of Bunyan's allegory on *The Pilgrim's Progress* and "The Celestial Railroad," and multiform love in *The Four Loves* and *The House of the Seven Gables*. Examination of such affinities between these two writers and their works provides mutual illumination and enhanced appreciation of each.
