In September 2017, Portsmouth, Virginia-based Western Branch Diesel acquired Superior Diesel, Inc. of North Charleston, SC. Superior Diesel is excited to announce effective June 1, 2019, it will begin the process of transitioning its name and branding to 'Western Branch Diesel' and will become the first Western Branch Diesel location in South Carolina, its twelfth overall.

Superior-Diesel,-inc.-is-now-Western-Branch-Diesel

By 1914, Superior was building engines from 2 HP to 100 HP, both stationary and portable, as mine was. Although building mostly gas engines at this time, Superior was well aware of the advantages of diesel power. Invented by Rudolf Diesel several years earlier, Superior was well aware of the advantages of diesel power.

The-Superior-Engine

The Engine Saver® monitors a combination of pressure, temperature, and RPM on 8, 12 and 16 cylinder diesel engines. It detects early signs of trouble before damage occurs - long before an attentive operator could detect it on the gauges and without false alarms.
