Make behaviors that you believe are helpful, a habit. When pressed, this can keep you from making wrong decisions, because you internally know you shouldn't do it, but if you actually thought about it, you just might do it. Start off small, like putting what you need for work in a certain place immediately after arriving home.

TAKE BACK YOUR LIFE SURVIVORS

Here's how to take back your life, in 10 simple, yet not so easy steps: 1. Stop being a consumer. When you spend money, you're really spending time invested in exchange for that money. The less money spent, the more time you have, making the effort to consume less not about money, but rather about taking back your time and freedom. Stop buying stuff.
