" Te quiero " and " te amo " are both very common ways of saying "I love you," and in a romantic situation neither is likely to be misunderstood. Querer (the verb from which quiero is derived) can mean "to want," but in romantic contexts it will be understood more like "love."

In Eu Te Amo, lust comes out of self-preservation, an instinct to provide for certain emotions, but with the respect for other people's wills. Sexuality and the need to be sexual with another person may not be the only way to achieve self-love, but this film shows that it is the way these two people are attempting to achieve it, and if they end up caring about each other, so much the better.
