School librarians play a key role in creating readers alongside parents, teachers, and public librarians. Discover ways to work with your community to help students develop as readers. Find ideas to support students with different interests and abilities.

Librarians' role in creating readers | Services to Schools

Last year at Big Walnut Middle School in Sunbury, Ohio, there were some days when fewer than ten students passed through the library doors. Just like in so many other schools, students and teachers had a growing number of resources available to them through tablets, Chromebooks, e-readers and interactive whiteboards, so they no longer needed to visit the library like they once did.
