The nameless and beautiful narrator of The Gargoyle is driving along a dark road when he is distracted by what seems to be a flight of arrows. He crashes into a ravine and wakes up in a burns ward, undergoing the tortures of the damned. His life is over - he is now a monster. But in fact it is only just beginning.

Awakening in a burn ward after being horribly burned in a terrible car accident, the cynical narrator is visited by a beautiful and enigmatic sculptress of gargoyles who tells him that they had once been lovers in medieval Germany.

An extraordinary debut novel of love that survives the fires of hell and transcends the boundaries of time. On a burn ward, a man lies between living and dying, so disfigured that no one from his past life would even recognize him. His only comfort comes from imagining various inventive ways to end his misery. Then a woman named Marianne Engel walks into his hospital room, a wild-haired, schizophrenic sculptress on the lam from the psych ward upstairs, who insists that she knows him - that she has known him, in fact, for seven hundred years. She remembers vividly when they met, in another hospital ward at a convent in medieval Germany, when she was a nun and he was a wounded mercenary left to die. If he has forgotten this, he is not to worry: she will prove it to him. And so Marianne Engel begins to tell him their story, carving away his disbelief and slowly drawing him into the orbit and power of a word he'd never uttered: love.

A New York Times Bestseller The Gargoyle: the mesmerizing story of one man's descent into personal hell and his quest for salvation. On a dark road in the middle of the night, a car plunges into a ravine. The driver survives the crash, but his injuries confine him to a hospital burn unit. There the mysterious Marianne Engel, a sculptress of grotesques, enters his life. She insists they were lovers in medieval Germany, when he was a mercenary and she was a scribe in the monastery of Engelthal. As she spins the story of their past lives together, the man's disbelief falters; soon, even the impossible can no longer be dismissed.

Accidents ambush the unsuspecting, often violently, just like love.

After a horrific car accident a man lies in hospital with severe burns to almost all of his body. He endures the pain, the hideous disfigurement and the excruciating treatments to remove the dead and rotting skin only in the hope of becoming well enough to end his life. Then Marianne Engel, sculptor of gargoyles, appears. She unravels a wild, impossible tale of a life they had together, a tale that begins with her nursing him when he was burned once before, seven hundred years ago in Germany. Weaving stories within her story—fables of love in Japan, Iceland, Italy and England—Marianne slowly brings beauty and love into his life. The Gargoyle is a brilliant love story, sweeping across centuries and continents. When it ends you'll want to read it again.

Das aufregendste Debüt der letzten Jahre: die fesselnde Geschichte einer Liebe, die die Grenzen von Zeit und Raum überschreitet. Ein Mann fährt eine dunkle Straße entlang, als er plötzlich geblendet wird, sein Wagen in eine Schlucht stürzt und Feuer fängt. Er überlebt, wird mit schwersten Verbrennungen ins Krankenhaus eingeliefert – und hat in den Wochen der Rekonvaleszenz nur einen Gedanken: wie er nach seiner Entlassung Selbstmord begehen kann. Doch dann taucht eine mysteriöse Frau an seinem Krankenbett auf, die schöne Marianne Engel, Bildhauerin beeindruckender Gargoyles. Sie behauptet, sie seien einst Liebende gewesen – vor siebenhundert Jahren in Deutschland, als sie eine Nonne war und er ein Söldner auf der Flucht. Ist diese Frau verrückt? Oder ist sie der rettende Engel, der ihn aus seiner Verzweiflung und Todessehnsucht erlösen wird?

On a beautiful April morning, a man is brought to an insane asylum in contemporary Spain, claiming to be the legendary navigator Christopher Columbus. Found in the treacherous Strait of Gibraltar, he is clearly delusional and has suffered a trauma so severe that he has turned away from reality. As he spins the tall tales of adventure and romance of someone who existed in the late fifteenth century, the lonely Nurse Consuela can't help but be enchanted by his spirit. Who is Columbus? Where did he come from? This dazzling story about one man's painstaking search for truth and loyalty will haunt the reader long after the final page.

Follows the adventures of detective Dave Robicheaux, who struggles with alcoholism and rage while fighting to protect lives in Katrina-devastated New Orleans.

An "innovative" (The New Yorker) retelling of the story of Dracula. Told with the flourish and poise of a talented storyteller, Kostova turns the age-old tale into a compelling "late night page-turner" (San

Francisco Chronicle) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering history of deceit and violence. Debut novelist Elizabeth Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable.

Behind every great love song is a great love story, from the author of *Star-Crossed* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY • “A tender tribute to the healing powers of love and music . . . Readers will be wowed.”—Publishers Weekly (starred review) Concert pianist Diana is finally ready to marry her longtime fiancé, Arie; she’s even composing a beautiful love song for him, and finishes it while on tour. Before she can play it for him, though, tragedy strikes—and Diana is lost to Arie forever. But her song might not be. In Australia, the world has gone quiet for Arie and he lives his life accordingly, struggling to cope with his loss. In Scotland, a woman named Evie is taking stock of her life after the end of another lackluster almost-relationship. Years of wandering the globe and failing to publish her poetry have taken their toll, and she might finally be ready to find what her travels have never been able to give her: a real home. And through a quirk of fate or circumstance, Diana’s song is passed from musician to musician. By winding its way around the world, it just might bring these two lost souls together. With heart-wrenching emotion, *The Last Love Song* explores what it means to be lost, what it means to be found, and the power of music to bring people together.
