The Heart Sutra - a very brief Sutra - is Buddhism in a nutshell. Bernie Glassman says in "The Dude and the Zen Master" that the Heart Sutra begins with the most important word "Avalokiteshvara" or even better with the letter "A". If this "A" is wholly encompassed, the Heart Sutra is all encompassed.

The Heart Sutra, originally a very short set of verses, was given in privacy. It was a message to one of Buddha's close disciples, Sariputra, and was specifically addressed to him. Over time, the Heart Sutra became one of Buddhism's core teachings. In these ten talks Osho presents the powerful message of these ancient words and brings them to a modern audience — one with different minds and needs than the original audiences of Buddha more than 2,500 years ago. his readers and listeners and encourages them to discover their own inner reality, their own buddhahood. Like Buddha's, Osho's message is about meditation and meditation alone — "rely only on your meditation and nothing else." Osho also speaks on the seven chakras, the energy centers of the human body, and their corresponding relationships to the physical, psychosomatic, psychological, psychospiritual, spiritual, spiritual-transcendental, and transcendental aspects of human growth and consciousness.

Collects teachings as presented by the Dalai Lama in 2001 to more than eight thousand attendees, addressing such topics as the nature of emptiness and selflessness while providing background information on Buddhism and additional commentary. Reprint.

The Heart Sutra is the most widely read, chanted, and copied text in East Asian Buddhism. Here Frederik L. Schodt explores his lifelong fascination with the sutra: its mesmerizing mantra, its ancient history, the "emptiness theory, and the way it is used around the world as a metaphysical tool to overcome chaos and confusion and reach a new understanding of reality--a perfection of wisdom. Schodt's journey takes him to caves in China, American beats declaiming poetry, speculations into the sutra's true origins, and even a robot Avalokite?vara at a Kyoto temple.

The heart of the Prajñāparamita Sutra is regarded as the essence of Buddhist teaching, offering subtle and profound teachings on non-duality and the letting go of all preconceived notions, opinions, and attachments, and so becoming open to all the wonders of our life. The Heart Sutra is recited daily in Mahayana temples and practice centers throughout the world. Thich Nhat Hanh's translation and commentary are the fruit of the author's more than sixty years of monastic study and practice. He describes the sutra as "a precious gift to us, the gift of fearlessness." Based on a historic lecture at the Green Gulch Zen Center, Muir Beach, California on April 19, 1987, this is one of the most simple, clear, concise, and understandable commentaries on this very important Buddhist sutra. In the Heart Sutra, the bodhisattva Avalokiteshvara describes how to train in the perfection of wisdom by seeing through the illusory nature of all things. The Heart Sutra is Buddhism in a nutshell, containing only 632 characters in the traditional Chinese translation. Despite its brevity, it covers more of the Buddha's teachings than any other scripture and has had the most profound and wide-reaching influence of any text in Buddhism. This revised edition celebrates the 20th anniversary of the initial release and features a new introduction by Peter Levitt and a new afterword by Thich Nhat Hanh. Edited by poet and Zen teacher Peter Levitt, author of *Fingerpainting on the Moon*.

The Prajna Paramita Hridaya Sutra is among the best known of all the Buddhist scriptures. Chanted daily by many Zen students, it is also studied extensively in the Tibetan tradition, and it has been regarded with interest more recently in the West in various fields of study—from philosophy to quantum physics. In just thirty-five lines, it expresses the truth of impermanence and the release from suffering that results from the understanding of that truth with a breathtaking economy of language. Kazuaki Tanahashi's guide to the Heart Sutra is the result of a life spent working with it and living it. He outlines the history and meaning of the text and then analyzes it line by line in its various forms (Sanskrit, Chinese, Japanese, Korean, Tibetan, Mongolian, and various key English translations), providing a deeper understanding of the history and etymology of the elusive words than is generally available to the nonspecialist—yet with a clear emphasis on the relevance of the text to practice. It includes a fresh and meticulous new translation of the text by the author and Roshi Joan Halifax.

This new translation of the Buddha's most important, most studied teaching offers a radical new interpretation. In September, 2014 Thich Nhat Hanh completed a profound and beautiful new English translation of the Prajñāparamita Heart Sutra, one of the most important and well-known sutras in Buddhism. The Heart Sutra is recited daily in Mahayana temples and practice centers throughout the world. This new translation came about because Thich Nhat Hanh believes that the patriarch who originally compiled the Heart Sutra was not sufficiently skillful with his use of language to capture the intention of the Buddha's teachings—and has resulted in fundamental misunderstandings of the central tenets of Buddhism for almost 2,000 years. In *The Other Shore: A New Translation of the Heart Sutra with Commentaries*, Thich Nhat Hanh provides the new translation with commentaries based on his interpretation. Revealing the Buddha's original intention and insight makes clear what it means to transcend duality and pairs of opposites, such as birth and death, and to touch the ultimate reality and the wisdom of nondiscrimination. By helping to demystify the term "emptiness," the Heart Sutra is made more accessible and understandable. Prior to the publication of *The Other Shore*, Thich Nhat Hanh's translation and commentaries of the Heart Sutra, called *The Heart of Understanding*, sold more than 120,000 copies in various editions and is one of the most beloved commentaries of this critical teaching. This new book, *The Other Shore*, supersedes all prior translations.

Presents a definitive translation of *The Diamond Sutra*, one of the fundamental texts of Mahayana Buddhism, and *The Heart Sutra*, along with extensive commentary on the texts and the principles and practices of Buddhism. Reprint. 12,500 first printing.

For this new translation of the most influential Buddhist text into English, an award-winning translator has utilized various Sanskrit and Chinese versions, refining the teachings of dozens of ancient teachers together with his own commentary to offer a profound word-for-word explication.

The material world is itself emptiness. Emptiness is itself the material world. Powerful, mystical and concise, the Heart Sutra is believed to contain the condensed essence of all Buddhist wisdom. This brief poem on emptiness has exerted immense influence throughout Asia since the seventh century and is woven into the fabric of daily life. Yet even though it rivals the teachings of Laozi and Confucius in importance, this ancient Buddhist scripture remains barely known in the West. During the many years he has spent living in Japan, Alex Kerr has been on a quest after the secrets of the Heart Sutra. Travelling from Japan, Korea, and China, to India, Mongolia, Tibet and Vietnam, this book brings together Buddhist teaching, talks with friends and mentors, and acute cultural insights to probe the universe of thought contained within this short but intense philosophical work. 'Marvellous ... a life's work ... a brilliant literary form, weaving reflections of the sutra with those on Alex's own magical mystery tour' Alexandra Munroe, Asian Art scholar and curator
