Josephus shrewdly reinterpreted the Messianic prophecies. He predicted that Vespasian would become the ruler of the 'entire world'.

Josephus is what he is: a first century Jew, soldier, historian, and opportunist. Without him we have virtually no record of the first thirty years of the Church, or the lead-up, execution, and clean-up of the Jewish rebellion against Rome, the most horrendous experience any nation, before or since, says the author - the worst possible war.

Josephus' Jewish War - Livius

The earliest description of Jesus outside of the Gospels is found in Josephus' *Jewish Antiquities*.
