Mu is a legendary lost continent. It is a term introduced by Augustus Le Plongeon, who used the "Land of Mu" as an alternative name for Atlantis. It was subsequently popularized as an alternative term for the hypothetical land of Lemuria by James Churchward, who asserted that Mu was located in the Pacific Ocean before its destruction. Archaeologists assign assertions about Mu to the category of pseudoarchaeology. The place of Mu in literature has been discussed in detail in *Lost Continents* by L.

Further east in the subcontinent of India is a similar tale, though it probably is less well known compared to that of Atlantis. This is the 'lost continent' of Lemuria, frequently connected to the legend of Kumari Kandam by speakers of the Tamil language. The term Lemuria has its origins in the latter part of the 19 th century. The English geologist Philip Sclater was puzzled by the presence of lemur fossils in Madagascar and India but not in mainland Africa and the Middle East.
