So I'm probably not going to do a review for each one more of a brief comment and then I'll attempt an overall review after the last book...or at least that's my plan.

The Shattered Gates (Rifter #1) by Ginn Hale

At first The Rifter's first book "The Shattered Gates," seemed a little dry to me - it takes time to embrace the world-building and get to know the characters - and there's a certain spareness to Hale's prose that takes a while to grow on you. Hale's narrative never drags, and while certain motifs repeat, it is never redundant.

The world of The Rifter is crafted with love: it's complex, robust, and unromanticized, and while I fail to find it particularly compelling it's undeniably real. But more worldbuilding that plot happens in The Shattered Gates , and though the book never drags the series promises to run a little too long.
