The Great Way Series by Harry Connolly - Goodreads
The tightly written story alternately follows Tejohn Treygar, a senior warrior guarding the king, and Cazia Freewell, a 15-year-old student of magic. Connolly deftly moves the action across the countryside and explores the changing lives of soldiers, slaves, nobles, and nomads without being bogged down by politics.

In The Way into Chaos he over delivers. Harry Connolly's 20 Palaces series, as well as his great short stories, are among some the favorite stuff I've reviewed.

"The city of Peradain is the heart of an empire built with steel, spears, and a monopoly on magic... until, in a single day, it falls, overthrown by a swarm of supernatural creatures of incredible power and ferocity. Neither solder nor spell caster can stand against them. Can the last Peradaini prince, pursued by the beasts that killed his parents, cross battle-torn lands to retrieve a spell that might - just might - turn the battle against this new enemy?"-- back cover
The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. On the slopes of Shayol Ghul, the Myrddraal swords are forged, and the sky is not the sky of this world. In Salidar the White Tower in exile prepares an embassy to Caemlyn, where Rand Al'Thor, the Dragon Reborn, holds the throne--and where an unexpected visitor may change the world... In Ermon's Field, Perrin Goldeneyes, Lord of the Two Rivers, feels the pull of ta'veren to ta'veren and prepares to march... Morgase of Caemlyn finds a most unexpected, and quite unwelcome, ally... And south lies Iliian, where Sammael holds sway... TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Drew Karpyshtyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including Mass Effect and Star Wars: Knights of the Old Republic, as well as in a succession of New York Times bestselling tie-in novels. Now Karpyshtyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. BONUS: This edition includes an excerpt from Drew Karpyshtyn's The Scorched Earth. Praise for Children of Fire "This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy." —Publishers Weekly (starred review) "A rousing quest fantasy ... a fast-paced action-packed good and evil thriller." —SF Revu "From the first page of Children of Fire, Karpyshtyn captures the reader's attention with his excellent, intricate storytelling." —RT Book Reviews "Children of Fire stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building." —Robo Depot "[Karpyshtyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre." —Among the Wreckage "Compulsively readable, wildly entertaining." —A Girl, A Boy and A Blog "Children of Fire is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed Children of Fire and look forward for the next two books." —FANgirl Blog "Drew Karpyshtyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last. Children of Fire is a dark-chocolate fantasy: delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!" —Tracy Hickman, New York Times bestselling co-author of the Dragonlance and Death Gate series

BOOK THREE OF THE GREAT WAY: What was once the Peradaini Empire is now a wasted landscape of burned, empty cities and abandoned farmlands. The Blessing, now more numerous than ever, continues to spread across the continent, driving refugees to the dubious safety of the city walls. Unharvested crops mean that few strongholds have enough provisions to last the winter, although most know the grunts will take them before starvation will. But hope survives. A piece of stolen magic just might halt the spread of The Blessing if Tejohn and Cazia can find a scholar with the skill to recreate the spell. If such a person still lives. Unfortunately, they are nearly out of time. The few remaining human enclaves are isolated and under siege. Worse, The Blessing has spread to other sentient creatures. If Cazia and Tejohn are going to strike back at their monstrous enemy, they can not delay. And there's another, deeper question left unaddressed: where did The Blessing come from, and why have they invaded Kai-Maddum?The Way Into Darkness is the final book in The Great Way, wrapping up the story begun in The Way into Chaos and continued in The Way Into Magic.

Welcome to the Weird Wild West! Matthew Sandstrom is a Government Land Office agent in Chaos, Arizona Territory ca. 1900. He is drawn into a series of disturbing circumstances involving a family of homesteaders who are missing and a trading post that serves a mysterious tribe known as the Su'mok. When the wife of the trader at the post is found wandering in a nearby catanotic state and her husband has also disappeared Sandstrom is alerted to the dark advance of ancient dangers. Discovering that a primordial terror has been unleashed he sets out to do his best against unknown powers. With the help of some Indian allies and his friend Mose Broadaxe he challenges indescribable forces for control of humanity's future on earth. Set in the southwest at the end of the most famous era in American history, the Old West, the story seeks to engage the reader in a historically sound adventure that also incorporates the eldritch charm of Lovecraft with primal lore and legend. This is the first book in a series that take place in the spectral, dying, mining town of Chaos, Arizona Territory.

When a strange book lands in twelve year old Fable's lap, and her cousin disappears into its pages, she follows, hurtling into an enchanted forest far from the rolling hills of her home. With the help of her peculiar new friends, Fable must learn to trust in herself or risk losing her cousin forever. Can she save him before it's too late?

A terrible massacre was discovered. . . . Did the same fate befall Sumer? Captain Brian Royce brings Hadad to his home planet, which shows obvious signs of battle. Did any of his family survive? Where are all the children...did the Zodarks take them? Admiral Miles Hunt finds himself appointed to a new position beyond his current skillset. He now has to become more than just a ship captain and fleet commander. . . . He must become the Viceroxy of the Milky Way Galaxy. On Alpha Centauri, an archaeology team makes a discovery that sends shockwaves through the Republic-a discovery so profound it could cause a division and a potential split within the alliance. The newly deployed 2nd Republic Army Group on the planet Intus finds itself the vanguard piece to the puzzle that ties humanity to more than just Earth and the Milky Way Galaxy. Grab your copy today.
