Betty Schramper Azar. 4.09 · Rating details · 1,065 ratings · 102 reviews. A classic developmental skills text for intermediate to advanced students of English, Understanding and Using English Grammar is a comprehensive reference grammar as well as a stimulating and teachable classroom text. While keeping the same basic approach and material as in earlier editions, the Third Edition more fully develops communicative and interactive language-learn.

Analyzing Grammar is a clear introductory textbook on grammatical analysis, designed for students beginning to study the discipline. Covering both syntax (the structure of phrases and sentences) and morphology (the structure of words), it equips them with the tools and methods needed to analyze grammatical patterns in any language. Students are shown how to use standard notational devices such as phrase structure trees and word-formation rules, as well as prose descriptions. Emphasis is placed on comparing the different grammatical systems of the world's languages, and students are encouraged to practice the analyses through a diverse range of problem sets and exercises. Topics covered include word order, constituency, case, agreement, tense, gender, pronoun systems, inflection, derivation, argument structure and grammatical relations, and a useful glossary provides a clear explanation of each term. Accessibly written and comprehensive, Analyzing Grammar is set to become a key text for all courses in grammatical analysis.

(Book). There's a huge amount of hype and mythology surrounding tube amplifiers in the guitar world. For years, experts have argued over the tiny details of exactly how they do what they do, and how their various components interact. What's undeniable is that, far more than being just a "loudness booster," the unique combination of tubes, capacitors, resistors, and transformers in these amps can contribute enormously to the quality of sound derived from any electric guitar. In this thorough and authoritative book, Dave Hunter cuts through the marketing hyperbole, and the blind faith, and supplies all the information you need to choose the right amp, and get the best from it. The book also features exclusively conducted, in-depth interviews with leading figures in the tube amp-building world including Ken Fischer, Mark Sampson, and Michael Zaitz and even provides full instructions on how to construct your own high-quality tube guitar amp from scratch.

This is the International edition of Basic English Grammar. It is NOT to be sold in the United States. The world's most trusted grammar source for clear, direct, and comprehensive instruction, the Azar-Hagen Grammar Series -- including Basic English Grammar -- blends grammar instruction with communicative methods. Grammar is the springboard for developing all language skills: speaking, listening, reading, and writing. With clear, user-friendly charts and engaging, interactive practice, it's easy to see why this classic series remains the top-selling text in its field year after year. Highlights Clear charts and explanations Examples accompanied by easy-to-understand explanations and minimal terminology. Direct, in-depth grammar practice Immediate application of grammatical forms and meanings. Variety of exercise types including warm-up, reading, listening, comprehension, completion, interview, and writing. Comprehensive corpus-informed grammar syllabus Written vs. spoken usage in formal and informal contexts. Teacher's Guide includes step-by-step teaching suggestions for each chart, notes on key grammar structures, and vocabulary and expansion activities. Test Bank offers additional quizzes, chapter tests, mid-term, and final exams, and Chart Book contains the grammar charts. Teachers can use the eText as a classroom presentation tool and the ExamView(R) software to customize their tests. New Essential Online Resources include Student Book audio, Student Book answer key, Grammar Coach videos, and self-assessments.

Grammar charts from the second edition of Fundamentals of English Grammar. Easy-to-understand explanations with clear examples. An essential survey of ESL /EFL grammar.
