vectra manual: Books

The Vauxhall Signum is family car from the German automaker Opel since 2003 to 2008. It was exclusively sold in the European market as Vauxhall Signum. The Signum was based largely on the Opel Vectra, and it also used the long-wheelbase edition of the GM Epsilon. Signum was based on a unique concept of a very huge hatchback with an almost

Use the basic Vectra Haynes manual for much of the stuff as it is the same - and has been mentioned there is a PDF 'manual' from the Vauxhall service teams that covers the V6 engine.... although I have that PDF format manual I dont have the link to the forum page where I downloaded it. A "search" should turn it up though! 1 - 9 of 9 Posts
