Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and

This book deals with the role of international standards for corporate governance in the context of corporate social responsibility.

Based on the fundamentals of moral theory, the book examines governance and CSR in general, addressing questions

File Type PDF

Volvo Penta D3

Moral such as: Is “ good governance ” not affected by moral concerns? How do the principles and practices of CSR standards adhere to or conflict with insights from business ethics and moral theory? To what extent do the standards and governance models provide normative guidance? Do the

File Type PDF Volvo Penta D3

standards and governance guidelines provide an adequate means of benchmarking and auditing? Are these standards a help or a hindrance to stakeholder engagement and transparency? The book provides insightful and thought-provoking answers to these and many other important questions concerning

File Type PDF Volvo Penta D3

CSR standards, and offers a valuable resource for practitioners, academics and students at business schools and other institutions.
